Introduction & Description of Delegate Selection Process

A. Introduction

1. Florida has a total of 250 delegates and 19 alternates for the 2024 Democratic National Convention. *(Call I & Appendix B)*
2. The delegate selection process is governed by the *Charter and Bylaws of the Democratic Party of the United States*, the *Delegate Selection Rules for the 2024 Democratic National Convention* (“Rules”), the *Call for the 2024 Democratic National Convention* (“Call”), the *Regulations of the Rules and Bylaws Committee for the 2024 Democratic National Convention* (“Regs.”), the rules of the Democratic Party of State, the state election code, and this Delegate Selection Plan. *(Call II.A)*
3. Following the state Party Committee’s adoption of this Delegate Selection Plan, the state Party shall submit the Plan for review and approval by the DNC Rules and Bylaws Committee (“RBC”). The state Party Chair shall be empowered to make any technical revisions to this document as required by the RBC to correct any omissions and/or deficiencies as found by the RBC to ensure its full compliance with Party Rules. Such corrections shall be made by the state Party Chair and the Plan resubmitted to the RBC within 30 days of receipt of notice of the RBC’s findings. *(Reg. 2.5, Reg. 2.6 & Reg. 2.7)*
4. Once this Plan has been found in Compliance by the RBC, any amendment to the Plan by the state Party must be submitted to and approved by the RBC before it becomes effective. *(Reg. 2.9)*

B. Description of Delegate Selection Process

1. Florida will use a proportional representation system based on the results of the Primary, held on March 19, 2024 for apportioning delegates to the 2024 Democratic National Convention.
2. The “first determining step” of State’s delegate selection process will occur on Tuesday March 19, 2024, with a state-run Presidential Preference Primary.

C. Voter Participation

1. Participation in the state’s delegate selection process is open to all voters who wish to participate as Democrats. *(Rule 2.A and Rule 2.C.)*
 - a. The deadline to register to vote in Florida’s presidential preference primary is February 18, 2024.
 - b. An overview of the state’s voter registration, enrollment procedures, and/or declaration process including:
 - (1) Florida has registration by party;
 - (2) Florida has a closed primary so only registered Democrats are able to participate in the process; (Rule 2.A & Reg. 4.3.B)
 - (3) Each county supervisor of elections is responsible for maintaining the list of Democrats who are eligible to receive the ballot and records those who vote in the primary. Under Florida law, voters who are currently registered with another party or with no party can change their party affiliation to Democrat in Florida no later than 30 days prior to the Presidential Preference Primary. (Rule 2.A & Reg. 4.3.A)]
 - c. Under Florida law, voters must be 18 as of the date of the primary to be eligible to participate. Voters who will be 18 by the date of the General Election but not by the date of the primary will not be allowed to participate. *(Reg. 4.3.C)*
 - d. At no stage of State’s delegate selection process shall any person be required, directly or indirectly, to pay a cost or fee as a condition for participating. Voluntary contributions to the Party may be made, but under no circumstances shall a contribution be mandatory for participation. *(Rule 2.D & Reg. 4.4)*

Florida 2024 Delegate Selection Plan

- g. No person shall vote in more than one (1) meeting which is the first meeting in the delegate selection process. *(Rule 3.E & Reg. 4.7)*
2. Florida’s Presidential Primary will be run by the Florida Division of Elections. The Florida Democratic Party works with the Division to ensure that elections are run openly and fairly. In that regard, the Division of Elections has set up a system to:
 - a. Maintain secure and accurate state voter registration rolls, so that every eligible American who registers to vote has their personal information protected and secure; *(Rule 2.H.1)*

Florida 2024 Delegate Selection Plan

- a. Participants in the Florida Democratic Presidential Primary will have three options to vote:
 1. Vote by Mail – Vote by mail ballots are mailed to voters who have notified their local county election commission of their desire to vote by mail 30 days prior to the election. The Florida Democratic Party is working with local county election officials and County Commissions to allow voters to return ballots postage free and have met with some success on that request. Also, as a result of litigation, the Florida requirement of an exact signature match on mail in ballots has been struck down.
 2. Early Vote – Current Florida law requires that each county allow no more than 20 and no less than 10 days of early voting in a county. The decision of how many days of early voting and the location of early voting locations are left up to the county election officer. The Florida Democratic Party works aggressively to push those election officers to choose the maximum number of days and the largest number of locations possible. In 2018, as a result of a lawsuit, the law against using college campuses as early voting locations was struck down and through the efforts of the Florida Democratic Party, multiple counties for the first time had early voting sites on college campuses.
 3. Election Day Voting – These are the traditional voting sites are set up in each precinct.
 4. We work to ensure that voting locations are accessible, fairly placed, and adequate in number, and have a sufficient number of voting machines; In 2018, through court action, the ban on Florida having early voting locations on college campuses was struck down. This resulted in early voting sites to be on college campuses in most of the larger counties for the first time in the 2018 General Election. (Rule 2.I.1.b)
 - b. To improve participation by our young registered democrats, the FloridaDemocraticParty will allow individuals who will be 18 years of age by election day to run as a district level delegate and vote in the Congressional District caucuses.
4. We have in the past and will help county election officers recruits early vote and election day workers to speed up the voting process and minimize long lines. (Rule 2.I.1.c)
 5. We have worked to increase voter registration and facilitate military and overseas voting. (Rule 2. I.1.f)
 6. As part of encouraging participation in the delegate selection process by registered voters, the Florida Democratic Party is committed to and working to implement: (Rule 2.I.2)

Florida 2024 Delegate Selection Plan

- a. Voter registration modernization, including online voter registration and automatic and same-day registration. It should be noted that Florida in 2018 decided to allow online voter registration. Also, legislation was proposed by Democrats in the 2019 Legislative session to require Florida to register its citizens to vote automatically. (Rule 2.I.2.a,d)
 - b. Currently Florida law allows people to pre-register to vote beginning at age 16. (Rule 2.I.2.b)
 - c. Florida voters passed a constitutional amendment in 2018 restoring the voting rights of felons who have served their sentence, except for those convicted of murder and certain sex crimes. Florida's GOP controlled legislature have minimize the impact of the amendment by proposing and implementing legislation to more broadly define the definition of the crimes and more narrowly define what constitutes as have "served" their sentence, including requiring a variety of fees and costs to be paid. Florida's Democratic legislators are resisting those efforts. (Rule 2.I.2.c)
7. Florida has a state-run Presidential Preference Primary. Voters in Florida can change their party registration up to 30 days prior to the election. (Rule 2.J and Rule 2.J.1)

D. Scheduling of Delegate Selection Meetings

The dates, times and places for all official Party meetings and events related to the state's delegate selection process must be scheduled to encourage the participation of all Democrats. Such meetings must begin and end at reasonable hours. *(Rule 3.A & Reg. 4.)*

Section II Presidential Candidates

2. In cooperation with the National Committee, the State Party has determined the demographic composition of members of the LGBTQ+ community, people with disabilities, military veterans, members of labor unions, small county voters, and youth in the state's Democratic electorate. The State Party has chosen to establish these percentages as goals for representation in the state's convention delegation. *(Rule 7 & Reg. 4.8.C.iii)*
3. Through a process directed by the Affirmative Action Subcommittee on Delegate Selection, the Florida Democratic Party has determined the goals of representation among the 2024 Delegation as follows.
 - a. The 2020 Affirmative Action goals and 2020 Affirmative Action chart submitted as a part of the 2020 plan were used as a starting point. Efforts were then undertaken to determine the percentage of Democratic voters which come from each of the various constituencies based on 2020 voter turnout, 2022 voter turnout, and 2023 voter registration. The committee also used the Demographics of Democratic Supporters as provided to the state party by the DNC.
 - b. Those calculations were supplemented with data from Disabilities Now's calculations, sociological research of LGBTQ+ Americans, the definition of small counties as laid out by the Florida Democratic Caucus Small County Coalition, and labor as defined as someone who is a member of a labor union.
 - c. The FDP relied on the state party voter file to determine the ethnic breakdown of Democratic registered voters in Florida. This was feasible for determining the ethnic breakdown for the African Americans/Black,

Florida 2024 Delegate Selection Plan

Hispanics, Native Americans and Asian Americans and Pacific Islanders categories.

- d. The State Party Voter File has three categories that classify a voter’s ethnicity. The first category combines the ethnicities of Native American and Asian American and Pacific Islander under the category of Other. The second category separates the two ethnicities into different groups. The third category is a voter’s self reported ethnicity. The Florida Democratic Party relied on the second category to establish the goals for Native Americans and Asian American and Pacific Islanders.
- e. Once those calculations were determined, those numbers were compared to the 2020 Affirmative Action goals. Where the calculation indicated an increase in the percentage goal, the new higher number was included rounded to the nearest whole number. Where the calculation indicated a decrease in the percentage goal, one quarter of that decrease rounded to the nearest whole number was deducted from the 2020 goal. Based on those calculations, the Florida Democratic Party has established the following affirmative action goals for 2024:

	African Americans/ Black	Hispanics	Native Americans	Asian Americans and Pacific Islanders	LGBTQ+ Americans	People with Disabilities	Youth
Percent in Democratic Electorate	33%	33%	<.05	3%	15%	15%	23%
Numeric Goals for Delegates	83/6	83/6	1/0	7/1	38/3	38/3	58/4
	Military/ Veterans	Small Counties	Organized Labor				
Percent in Democratic Electorate	8%	13%	18%				
Numeric Goals for Delegates	20/1	33/2	45/3				

4. When selecting the at-large portion of the delegation, the demographic composition of the other delegates (district-level, pledged PLEO, and Automatic) shall be compared with the State Party’s representation goals to achieve an at-large selection process that helps to bring about a representative balance. *(Rule 11.A)*
5. Although the selection of the at-large delegation may be used to fulfill the affirmative action goals established by this Plan, the State Party will conduct
