II. Selection of Delegates and Alternates

A. Introduction

1. Number of Delegates and Alternates

Ohio has a total of 142 delegates and 11 alternates. Ohio will choose Option A and will allocate 75% of its alternates at the District Level and 25% at the At-Large Level

2. Governing Rules

The delegate selection process is governed by the Charter and Bylaws of the Democratic Party of the United States, the Delegate Selection Rules for the 2024 Democratic National Convention ("Rules"), the Call for the 2024 Democratic National Convention ("Call"), the Regulations of the Rules and Bylaws Committee for the 2024 Democratic National Convention ("Regs"), the rules of the Democratic Party of Ohio, the Ohio Revised Code and this Delegate Selection Plan.

3. Qualifications of Participants in the delegate selection process

Participation in Ohio's delegate selection process is open to all voters who wish to participate as Democrats. To be qualified to serve as a delegate or alternate, a candidate must:

- a. Be 18 years of age before the date of the general election;
- b. Be a resident and elector of Ohio. Voter registration forms will be available at all district caucuses and any individual may register to vote prior to the start of the caucus and be eligible to participate. Individuals do not need to be a registered Democrat to participate.
- c. Be a citizen of the United States;
- d. Be a qualified elector in the congressional district from which individual seeks to be elected (residence will be determined according to Ohio Revised Code 3503.02); and
- e. Must sign a statement that the individual will not participate in the nominating processes of any other party for the corresponding elections.
- f. No participant shall be required to pay any fee to participate. Voluntary contributions may be solicited.

2024 Ohio Delegate Selection Plan

g. Secret ballots shall never be used per ODP Constitution by the Ohio Democratic Party. Since we are a state run primary, the ballots cast by voters during the state run election are not public.

4. Ohio Election Laws

Ohio laws governing elections and registration are as follows:

Voter Registration is open until 30 days before the date of any election. (February 20th, October 7th)

Ohio voters can only declare party affiliation during a primary election of any even-numbered year. (There are some municipalities in Ohio that have partisan elections in odd-numbered years in which voters may declare a preference.) The preference of the voter is recorded on the official state and county voter rolls.

Ohioans may vote by mail, or vote early in-person beginning 28 days before the date of any election. (February 21, 2024 for primary and October 8, 2024 for general.) This early voting is “no excuse” early voting, so no reason is needed. All mailed ballots must be received at county BOE’s by 4:00pm on Election Day. The “deadline” to request a mailed absentee ballot is the day before the election, but for practical purposes for the USPS, it is the Thursday before the election. In-person early voting is allowed until close of business on the day before the election.

B. Presidential Candidates

In order to gain ballot access to the Ohio ballot, you will need to follow the steps listed below before the state mandated deadline of December 20th, 2023 at 4:00pm.

The most important point is that because the Ohio Democratic Party is holding its pre-primary caucus after the state mandated deadline for filing of candidate petitions, each campaign MUST gather 1,000 valid signatures of eligible Ohio voters to appear on the Ohio ballot. (Relevant statute guiding on how to gather those statutes is copied below)

(The “alternative financial” option of filing will not be permissible since the financial forms must be accompanied by a list of district and at-large delegates, which won’t be known at the time of the state mandated filing deadline.)

Each campaign will need to fill out and file the following SOS forms: 2-N, 2-R and 2-S. The forms are available on the Ohio Secretary of State website at <https://www.sos.state.oh.us/elections/elections-officials/forms-petitions>. You will notice that Ohio REQUIRES a “second choice” for President on the forms. You must fill it out. You are allowed (and encouraged) to have two separate eligible electors circulate form 2-N, just in case. The “second choice” candidate has typically been a “famous” Ohioan who is not themselves running.

2024 Ohio Delegate Selection Plan

The instructions below, which are copied directly from our delegate selection plan, are your guideline to the process. Should you have any questions or concerns, please feel free to contact me.

NOTE: All forms and petitions MUST be filed at the Ohio Secretary of State's office at 180 E. Broad St, 16th Floor, Columbus, OH 43215.

Ohio Democratic Party Delegate Selection Plan

Ballot Access

A Democratic presidential candidate may gain ballot access in Ohio for the Presidential Primary Election in order to elect delegates and alternates to the Democratic National Convention by following the procedures provided in Ohio Revised Code section 3513.05 or 3513.12 (this provision is the one that is not an option.) A presidential candidate authorizes one or two qualified electors of the State of Ohio who are affiliated with the Democratic Party to circulate petitions and file as at-large delegates for the candidate. If the at-large delegate candidates are certified to the ballot by the Ohio Secretary of State, then the name of the presidential candidate who was listed as the delegate candidate's first choice will appear on every Democratic Party primary election ballot in every precinct in the state. The names of the actual at-large delegate candidates do not appear on the ballot. It is recommended by the Secretary of State that a presidential candidate authorize two at-large delegate candidates to file in the event that there is a fatal flaw in the petition of one of the at-large delegate candidates that would prevent the presidential candidate's name from appearing on the primary election ballot. An at-large delegate candidate must file the following forms with the Ohio Secretary of State no later than 4:00 p.m. on the 90th day before the Presidential Primary Election:

1. Ohio SOS Form 2-N – Declaration of Candidacy and Petition – At-Large Delegate or Alternate – Single Candidate. This form must be signed by the at-large delegate candidate and contain the signatures of at least 1,000 but not more than 3,000 qualified electors of the State of Ohio who are affiliated with the Democratic Party. (The voter MAY be “unaffiliated or independent.” They may NOT have voted in another party's primary election for the past two years.) Each part petition may only contain the signatures of electors of one county in Ohio. Each part petition must also contain a properly-completed circulator statement from the circulator who witnessed the signing of the part petition.
2. Ohio SOS Form 2-R – Consent for Use of Name as First Choice for Presidency – Single Candidate. This form must bear the original signature of the Presidential candidate authorizing the at-large delegate candidate to run on the Presidential candidate's behalf. If the Presidential candidate chooses to have two at-large delegates circulate and file, then a separate SOS Form 2-R must be filed for each at-large delegate candidate. ***PLEASE NOTE THAT THE CANDIDATE MUST SIGN AND DATE FORMS 2-R AND 2-S BEFORE THE AT-LARGE CANDIDATE MAY FILL OUT FORM 2-N***
3. Ohio SOS Form 2-S – Consent for Use of Name as Second Choice for Presidency – Single Candidate. This form must bear the original signature of the individual the Presidential candidate has chosen for a “Second Choice” authorizing the at-large delegate candidate to run on

2024 Ohio Delegate Selection Plan

the “Second Choice’s” behalf. “Second Choices” typically are respected party leaders or former public officials who are supporting the Presidential Candidate but are not actually Presidential Candidates themselves. If the Presidential candidate chooses to have two at-large delegates circulate and file, then a separate SOS Form 2-S must be filed for each at-large delegate candidate.

The actual delegates and alternates for each candidate will be announced at the May 11, 2024 State Executive Committee meeting based on the results of the March 19, 2024 Primary Election. That date also serves as the date that all PLEO and At-Large delegates/alternates will be selected.

3513.05 Deadline for filing declaration of candidacy.

Each person desiring to become a candidate for a party nomination at a primary election or for election to an office or position to be voted for at a primary election, except persons desiring to become joint candidates for the offices of governor and lieutenant governor and except as otherwise provided in section 3513.051 of the Revised Code, shall, not later than four p.m. of the ninetieth day before the day of the primary election, file a declaration of candidacy and petition and pay the fees required under divisions (A) and (B) of section 3513.10 of the Revised Code. The declaration of candidacy and all separate petition papers shall be filed at the same time as one instrument. When the offices are to be voted for at a primary election, persons desiring to become joint candidates for the offices of governor and lieutenant governor shall, not later than four p.m. of the ninetieth day before the day of the primary election, comply with section 3513.04 of the Revised Code. The prospective joint candidates' declaration of candidacy and all separate petition papers of candidacies shall be filed at the same time as one instrument. The secretary of state or a board of elections shall not accept for filing a declaration of candidacy and petition of a person seeking to become a candidate if that person, for the same election, has already filed a declaration of candidacy or a declaration of intent to be a write-in candidate, or has become a candidate by the filling of a vacancy under section 3513.30 of the Revised Code for any federal, state, or county office, if the declaration of candidacy is for a state or county office, or for any municipal or township office, if the declaration of candidacy is for a municipal or township office.

If the declaration of candidacy declares a candidacy which is to be submitted to electors throughout the entire state, the petition, including a petition for joint candidates for the offices of governor and lieutenant governor, shall be signed by at least one thousand qualified electors who are members of the same political party as the candidate or joint candidates, and the declaration of candidacy and petition shall be filed with the secretary of state; provided that the secretary of state shall not accept or file any such petition appearing on its face to contain signatures of more than three thousand electors.

Except as otherwise provided in this paragraph, if the declaration of candidacy is of one that is to be submitted only to electors within a district, political subdivision, or portion thereof, the petition shall be signed by not less than fifty qualified electors who are members of the same political party as the political party of which the candidate is a member. If the declaration of candidacy is for party nomination as a candidate for member of the legislative authority of a municipal corporation elected by ward, the petition shall be signed by not less than twenty-five qualified electors who are members of the political party of which the candidate is a member.

No such petition, except the petition for a candidacy that is to be submitted to electors throughout the entire state, shall be accepted for filing if it appears to contain on its face signatures of more than three times the minimum number of signatures. When a petition of a

2024 Ohio Delegate Selection Plan

candidate has been accepted for filing by a board of elections, the petition shall not be deemed invalid if, upon verification of signatures contained in the petition, the board of elections finds the number of signatures accepted exceeds three times the minimum number of signatures required. A board of elections may discontinue verifying signatures on petitions when the number of verified signatures equals the minimum required number of qualified signatures.

If the declaration of candidacy declares a candidacy for party nomination or for election as a candidate of a minor party, the minimum number of signatures on such petition is one-half the minimum number provided in this section, except that, when the candidacy is one for election as a member of the state central committee or the county central committee of a political party, the minimum number shall be the same for a minor party as for a major party.

If a declaration of candidacy is one for election as a member of the state central committee or the county central committee of a political party, the petition shall be signed by five qualified electors of the district, county, ward, township, or precinct within which electors may vote for such candidate. The electors signing such petition shall be members of the same political party as the political party of which the candidate is a member.

For purposes of signing or circulating a petition of candidacy for party nomination or election, an elector is considered to be a member of a political party if the elector voted in that party's primary election within the preceding two calendar years, or if the elector did not vote in any other party's primary election within the preceding two calendar years.

If the declaration of candidacy is of one that is to be submitted only to electors within a county, or within a district or subdivision or part thereof smaller than a county, the petition shall be filed with the board of elections of the county. If the declaration of candidacy is of one that is to be submitted only to electors of a district or subdivision or part thereof that is situated in more than one county, the petition shall be filed with the board of elections of the county within which the major portion of the population thereof, as ascertained by the next preceding federal census, is located.

A petition shall consist of separate petition papers, each of which shall contain signatures of electors of only one county. Petitions or separate petition papers containing signatures of electors of more than one county shall not thereby be declared invalid. In case petitions or separate petition papers containing signatures of electors of more than one county are filed, the board shall determine the county from which the majority of signatures came, and only signatures from such county shall be counted. Signatures from any other county shall be invalid.

Each separate petition paper shall be circulated by one person only, who shall be the candidate or a joint candidate or a member of the same political party as the candidate or joint candidates, and each separate petition paper shall be governed by the rules set forth in section 3501.38 of the Revised Code.

The secretary of state shall promptly transmit to each board such separate petition papers of each petition accompanying a declaration of candidacy filed with the secretary of state as purport to contain signatures of electors of the county of such board. The board of the most populous county of a district shall promptly transmit to each board within such district such separate petition papers of each petition accompanying a declaration of candidacy filed with it as purport to contain signatures of electors of the county of each such board. The board of a county within which the major portion of the population of a subdivision, situated in more than one county, is located, shall promptly transmit to the board of each other county within which a portion of such subdivision is located such separate petition papers of each petition accompanying a declaration of candidacy filed with it as purport to contain signatures of electors of the portion of such subdivision in the county of each such board.

2024 Ohio Delegate Selection Plan

All petition papers so transmitted to a board and all petitions accompanying declarations of candidacy filed with a board shall, under proper regulations, be open to public inspection until four p.m. of the eightieth day before the day of the next primary election. Each board shall, not later than the seventy-eighth day before the day of that primary election, examine and determine the validity or invalidity of the signatures on the petition papers so transmitted to or filed with it and shall return to the secretary of state all petition papers transmitted to it by the secretary of state, together with its certification of its determination as to the validity or invalidity of signatures thereon, and shall return to each other board all petition papers transmitted to it by such board, together with its certification of its determination as to the validity or invalidity of the signatures thereon. All other matters affecting the validity or invalidity of such petition papers shall be determined by the secretary of state or the board with whom such petition papers were filed.

Protests against the candidacy of any person filing a declaration of candidacy for party nomination or for election to an office or position, as provided in this section, may be filed by any qualified elector who is a member of the same political party as the candidate and who is eligible to vote at the primary election for the candidate whose declaration of candidacy the elector objects to, or by the controlling committee of that political party. The protest shall be in writing, and shall be filed not later than four p.m. of the seventy-fourth day before the day of the primary election. The protest shall be filed with the election officials with whom the declaration of candidacy and petition was filed. Upon the filing of the protest, the election officials with whom it is filed shall promptly fix the time for hearing it, and shall forthwith mail notice of the filing of the protest and the time fixed for hearing to the person whose candidacy is so protested. They shall also forthwith mail notice of the time fixed for such hearing to the person who filed the protest. At the time fixed, such election officials shall hear the protest and determine the validity or invalidity of the declaration of candidacy and petition. If they find that such candidate is not an elector of the state, district, county, or political subdivision in which the candidate seeks a party nomination or election to an office or position, or has not fully complied with this chapter, the candidate's declaration of candidacy and petition shall be determined to be invalid and shall be rejected; otherwise, it shall be determined to be valid. That determination shall be final.

A protest against the candidacy of any persons filing a declaration of candidacy for joint party nomination to the offices of governor and lieutenant governor shall be filed, heard, and determined in the same manner as a protest against the candidacy of any person filing a declaration of candidacy singly.

The secretary of state shall, on the seventieth day before the day of a primary election, certify to each board in the state the forms of the official ballots to be used at the primary election, together with the names of the candidates to be printed on the ballots whose nomination or election is to be determined by electors throughout the entire state and who filed valid declarations of candidacy and petitions.

The board of the most populous county in a district comprised of more than one county but less than all of the counties of the state shall, on the seventieth day before the day of a primary election, certify to the board of each county in the district the names of the candidates to be printed on the official ballots to be used at the primary election, whose nomination or election is to be determined only by electors within the district and who filed valid declarations of candidacy and petitions.

The board of a county within which the major portion of the population of a subdivision smaller than the county and situated in more than one county is located shall, on the seventieth day before the day of a primary election, certify to the board of each county in which a portion of

that subdivision is located the names of the candidates to be printed on the official ballots to be used at the primary election, whose nomination or election is to be determined only by electors within that subdivision and who filed valid declarations of candidacy and petitions.

Write-in Candidates—ORC 3513.041

Any candidate for an office to be voted upon by electors throughout the entire state shall file a declaration of intent to be a write-in candidate with the secretary of state before four p.m. of the seventy-second day preceding the election at which such candidacy is to be considered. In addition, candidates for president and vice-president of the United States shall also file with the secretary of state by that seventy-second day a slate of presidential electors sufficient in number to satisfy the requirements of the United States constitution.

2. Authorized Representative

Each presidential candidate shall certify in writing to the State Chair, the name(s) of his or her authorized representative(s) by December 1, 2023. If the presidential candidate certifies more than one authorized representative, one name shall be identified to the State Chair to facilitate operations and communications between the presidential candidate and the Ohio Democratic Party.

The authorized representative shall:

- a. Supervise the proper filing of both party and state documentation. This documentation shall be filed as stipulated in the plan.
- b. Ensure that district and at-large delegates and alternates are in rank order and in compliance with equal division and the affirmative action provisions of this plan.
- c. Inform the State Chair of the date, time, place, and purpose of any meeting/event that involves the delegate selection process.
- d. Consult with the State Chair on the selection of Caucus Coordinators and Caucus Chairs.
- e. Name in each Congressional District an Outreach Committee consisting of two to six persons, of which at least two persons are between the ages of 18 and 25. This committee will be formed for the purpose of recruiting new Party members among people who will shape the future of the political process.

3. Affirmative Action

Each presidential candidate shall use his or her best efforts to ensure that his or her respective delegation within the state delegation achieves the

2024 Ohio Delegate Selection Plan

affirmative action, outreach and inclusion goals established by this Plan and is equally divided between men and women.

4. Uncommitted

“Uncommitted” does not appear on the Presidential Primary ballot.

C. District-Level Delegates and Alternates

1. Number of Delegates and Alternates

Ohio is allocated 83 district-level delegates and 8 district-level alternates.

2. Presidential Primary

District-level delegate and alternate positions will be allocated to presidential preferences through a proportional representation system based on a primary, with the first determining step on March 19, 2024.

3. Allocation of District-Level Delegates and Alternates

a. The district-level delegates and alternates shall be elected by a pre-primary caucus to slate delegates to be held in each congressional district on January 9, 2024 followed by a presidential preference primary held on March 19, 2024. To ensure the district-level delegates are equally divided between men and women (determined by gender self-identification) the gender advantage of delegate positions within each district will be designated by presidential preference beginning with the highest vote-getting presidential preference. This assignment of gender advantage to delegate positions will continue with the next highest vote-getting preferences in descending order, with gender as mathematically practicable, until the gender advantage of each position has been assigned. In the case of non-binary gender delegates, they may be elected to any position, regardless of pre-designated advantage, provided they have received more votes than the person who would otherwise be elected to such position. A gender non-binary candidate so elected shall not be counted in either the male or female category.

b. Ohio's district-level delegates and alternates are apportioned among the districts based on a formula giving equal weight to the vote for the Democratic candidates in the 2020 presidential and the 2022 gubernatorial election. (Rule 8.A.2) Ohio uses this option as it ensures that true Democratic performance is rewarded as base Democratic voters vote in non-Presidential election years.

c. The state's total number of district-level delegates and alternates will be equally divided between men and women. In the case of gender non-binary delegates, they shall not be counted in either category.

4. District-Level Delegate and Alternate Filing Requirements

a. All delegate and alternate candidates must be identified as to a singular presidential preference at all levels which determine presidential preference. Any candidate is able to modify their singular presidential preference by submitting an updated pledge of support no later than the filing deadline for that delegate.

b. A district-level delegate and alternate candidate may run for election only within the district in which the individual is registered to vote.

c. An individual can qualify as a candidate for district-level delegate or alternate to the 2024 Democratic National Convention by the proper filing of the following:

Ohio Democratic Party "Declaration of Candidacy and Consent" form including a signed pledge of support. This form must be filed with the Ohio Democratic Party, 697 E. Broad St, Suite 101, Columbus, Ohio 43215 by 5:00 PM on January 2, 2024.

The Democratic Party "Declaration of Candidacy and Consent" forms may be obtained from the Ohio Democratic Party website, by emailing or calling the party, by asking their local county party

2024 Ohio Delegate Selection Plan

chair for a copy, or by asking the registered authorized representatives of the presidential candidates.

d. Candidates for district delegate or alternate positions shall file a statement of candidacy designating their presidential preference and a signed pledge of support for a singular presidential candidate with the Ohio Democratic Party beginning November 8, 2023 and ending on January 2, 2024.

5. Presidential Candidate Right of Approval

a. The State Chair shall convey to the presidential candidate, or that candidate's authorized representative, not later than 12:00 Noon on January 4, 2024, a list of all persons who have filed for delegate or alternate pledged to that presidential candidate.

b. Each presidential candidate, or that candidate's authorized representative must then file with the State Chair by 5 PM on January 5, 2024, a list of all such candidates he or she has approved, provided that approval be given to at least three (3) separate individuals for each position for delegate and three (3) times the number of candidates for each alternate position to be selected.

c. Failure to respond will be deemed approval of all delegate and alternate candidates submitted to the presidential candidate unless the presidential candidate, or the authorized representative signifies otherwise in writing to the State Chair not later than 5 PM on January 5, 2024.

d. National convention alternate and delegate candidates removed from the list of bona fide supporters by a presidential candidate, or that candidate's authorized representative may not be elected as a delegate or alternate pledged to that presidential candidate at this level.

e. The Ohio Democratic Party will certify to the RBC that the list of approved delegate/alternate candidates meets affirmative action considerations within 3 days of receiving the list.

6. Pre-Primary Caucus Procedure

a. Delegates and alternates pledged to a presidential candidate shall be selected or nominated by a caucus of persons from the congressional district electing the delegates and alternates who sign statements of support for that presidential candidate. There shall be one caucus location per congressional district. All locations of the caucuses, and all starting times chosen are done so by the Ohio Democratic Party. No candidate may have more than one caucus per congressional district. All caucuses will meet January 9, 2024 and begin promptly at 7:00 PM. All caucuses will be held in publically accessible facilities.

2024 Ohio Delegate Selection Plan

b. The State Chair shall appoint a Caucus Coordinator for each congressional district no later than December 6, 2023 after consultation with each presidential candidate or their authorized representative. If a Caucus Coordinator resigns a new appointment shall be made prior to January 6, 2024 using the same consultation procedure.

c. Each presidential candidate or their authorized representative shall appoint a Caucus Chair for each Congressional District Caucus they will participate in no later than December 6, 2023 after consultation with the State Chair. If a Caucus Chair resigns, a new appointment shall be made prior to January 6, 2024 using the same consultation procedure. If a vacancy occurs on January 8, 2024, the Caucus Coordinator shall train and appoint a replacement.

d. The Caucus Coordinator in consultation with the caucus chairs shall select a centrally located site for their caucus and report this location(s) to the State Chair no later than December 18, 2023. Caucus sites may be in separate locations for each presidential candidate. The site must accommodate separate rooms for each individual caucus unless otherwise agreed to by the Caucus Chairs. If there are multiple locations, the caucus coordinator may designate additional coordinators as necessary.

e. Each Caucus Coordinator and Caucus Chair shall be required to attend a caucus training session held between December 1, 2023 and January 2, 2024. The training session shall train the Caucus Coordinators and Caucus Chairs in caucus procedures. The training session shall be conducted by Ohio Democratic Party staff or by trained Caucus Coordinators.

f. The following procedure shall be used in the conduct of each congressional district caucus:

(1) One hour prior to the caucuses, the doors will be opened to allow participants to sign statements of support indicating their presidential preference. Participants may only sign one statement of support. These statements will be available at the caucuses and only those individuals who sign such statements of support will be allowed to participate. Individuals who arrive after the meeting begins shall be allowed to sign the statements of support.

(2) The Caucus Coordinator or their designee shall call the meeting to order promptly at 7:00 PM and read a welcome and announcements from the State Chair. The Caucus Coordinator or their designee shall remind participants of the need to sign statements of support and indicate that Ohio Democratic Party membership applications are available for those wishing to make a voluntary donation to the Party.

2024 Ohio Delegate Selection Plan

(3) The caucus shall then divide into individual caucuses composed of the participants who signed statements of support for each specific candidate. The Caucus Chairs for each presidential candidate shall conduct these meetings.

(4) The Caucus Chairs shall read the names of all candidates for the district delegate positions and shall indicate the number of male and female delegates that may be selected from their congressional district. In the case of gender non-binary delegates, they shall not be counted in either category and the variance between male and female genders shall not be more than one. Only those individuals who have filed an "Ohio Democratic Party Declaration of Candidacy" form and who have been approved by the presidential candidate or his authorized representative may be considered for the delegate or alternate slots.

(5) The Caucus Chair may allow each delegate candidate to speak to the caucus. The Caucus Chair may limit candidates speech to a reasonable time.

(6) Participants who have signed statements of support shall then vote by signed ballot. Ballots shall be distributed at a central location by the Caucus Coordinator or their designee(s). Participants shall only be allowed to vote for delegates/alternate pledged to the candidate for whom they signed a statement of support. Separate ballots shall be distributed for male, female and gender non-binary candidates. The ballots shall be collected, counted, and the results announced. Should a non-gender candidate(s) receive more votes than a male or female within a caucus, they will be chosen in lieu of the male/female who receives fewer votes.

(7) A separate election shall then be held for the alternate position if available for the congressional district using the same procedure. All delegate candidates are eligible to be alternate candidates.

(8) The ranking of elected candidates for district delegate and alternate shall be determined in a manner set by the pre-primary caucus in accordance with the Rules & Bylaws of the Democratic National Committee. This ranking must be reported to the state chair.

(9) The Caucus Chair must certify the outcome of the caucuses to the State Chair no later than January 9, 2024.

2024 Ohio Delegate Selection Plan

(10) By January 9, 2024, the Caucus Coordinator shall file with the State Chair, a list of those people who filled out signed statements of support at each caucus meeting. The list shall include the names, addresses, email addresses and phone numbers of all caucus participants as designated on their statements of support.

g. The following Democratic National Committee rules for scheduling of delegate selection meetings are incorporated as part of this plan:

(1) All official Party meetings and events related to the national convention delegate selection process, including caucuses, conventions, committee meetings, filing dates, and Party enrollment periods, shall be scheduled by the Ohio Democratic Party for dates, times and publicly accessible places which would be most likely to encourage the participation of all Democrats, and must begin and end at reasonable hours. Additionally, the Party will consider any religious observations that could affect participation.

(2) All such meetings or events which are the first meeting or event in the delegate selection process shall be scheduled at times and dates which are uniform throughout the state, except where it is established by the state party and approved by the DNC Rules and Bylaws Committee that such uniform times and dates would significantly reduce participation in the delegate selection process.

(3) The times, dates, places, and rules for the conduct of all caucuses, conventions, meetings and other events involved in the delegate selection process shall be effectively publicized by the Party organization, official, candidate or member calling the same.

(4) Concise statements in advance of all meetings and events concerning the relationship between the business to be conducted and the delegate selection process shall be effectively publicized by the Party organization, official, candidate or member calling the same.

(5) No person shall participate in more than one meeting which is the first meeting in the delegate selection process.

7. Fair Reflection of Presidential Preference

a. Presidential Primary - Proportional Representation Plan

The Ohio presidential primary election is a "binding" primary. Accordingly, delegate and alternate positions shall be allocated so as to fairly reflect the expressed presidential preference of the

2024 Ohio Delegate Selection Plan

primary voters in each district. The National Convention delegates and alternates selected at the district level shall be allocated in proportion to the percentage of the primary vote won in that district by each preference, except that preferences falling below a 15% threshold shall not be awarded any delegates or alternates.

The following method shall be used in allocating delegates by proportional representation:

- (1) Calculate to three decimals the percentage of vote that each presidential preference received.
- (2) Identify those preferences who met the 15% threshold and total their sums. This will be the new base vote. Then recalculate to three decimals the percentage of the vote that each presidential preference received against the new base vote.
- (3) Multiply the percentage for each presidential preference by the number of delegates to be awarded in the congressional district. Calculate the figure to three decimals.
- (4) Each presidential preference shall be entitled to the whole number of delegates assigned in (3).
- (5) Any remaining delegates are awarded in the order of the highest fractional remainders for the final tally.
 - b. Within a district, if no presidential preference reaches a 15% threshold, the threshold shall be the percentage of the vote received in that district by the front-runner halved.
 - c. If a presidential candidate has certified at least one candidate for delegate in a congressional district or has qualified through the filing of a statewide petition and receives enough votes to qualify for more delegates than the number of certified candidates, than a special post-primary caucus shall be held in the congressional district to select these delegates or alternates. (see Section 10 on page 18)

8. Equal Division of District-Level Delegates and Alternates

- a. In order to ensure the district-level delegates are equally divided between men and women, delegate positions within each district will be designated by presidential preference beginning with the highest vote-getting presidential preference. The assignment of delegate positions, alternating by gender as mathematically practicable, will continue with the next highest

2024 Ohio Delegate Selection Plan

vote-getting preferences in descending order until the gender of each position has been assigned. In the case of gender non-binary individuals, they shall not be counted in either the male or female category.

The gender of the first delegate assigned in each congressional district shall be as indicated on the chart of delegates and alternates. If a gender non-binary individual is the “first” delegate, a coin will be flipped to determine which gender will be chosen next.

b. After the delegates are selected, the alternates will be awarded using the same process described above.

9. Certification of Delegates and Alternates

The State Chair shall certify in writing to the Secretary of the Democratic National Committee the election of the state's district level delegates and alternates to the Democratic National Convention within ten (10) days after their election is certified by the Secretary of State.

The time frame for certification of election results is as follows:

March 19	Primary Election Day
March 27	Armed Service Ballot Deadline
March 28	Canvass of Election Returns Begins

The canvass does not have to begin until April 1. Canvass continues until completed, the deadline is April 9.

April 12 (est.) Secretary of State Certifies Results

10. Special Post-Primary Caucus

If a presidential candidate has qualified to receive delegates and alternates but has failed to slate a sufficient number of delegate and alternate candidates, then additional delegates and alternates for that preference will be selected in a special post-primary caucus according to the following procedure:

a. An individual may qualify as a candidate for delegate or alternate by filing a "Declaration of Candidacy and Consent" form including a signed pledge of support with the Ohio Democratic Party by 5:00 PM on April 10, 2024. Forms to apply for a post-primary caucus will be available on March 30, 2024. Forms will be available in the same manner as pre-primary forms mentioned previously in this plan. (see section 4 c, page 12)

2024 Ohio Delegate Selection Plan

b. The State Chair shall appoint a Caucus Coordinator for each congressional district in which a special post-primary caucus is necessary no later than April 8, 2024 after consultation with each participating presidential candidate or their authorized representative.

c. The State Chair shall convey to the presidential candidate, or that candidate's authorized representative, not later than 5:00 PM on April 11, 2024, a list of all persons who have filed for delegate or alternate pledged to that presidential candidate.

d. Each Caucus Coordinator shall select a site for their caucus and report this location to the State Chair no later than April 11, 2024.

e. Each participating presidential candidate or their authorized representative shall appoint a Caucus Chair for each special post-primary caucus no later than April 11, 2024 after consultation with the State Chair.

f. Each participating presidential candidate or their authorized representative must file with the State Chair by April 12, 2024, a list of all delegate or alternate candidates he or she has approved, provided that approval be given to at least three (3) names for every position to which the presidential candidate is entitled.

Failure to respond will be deemed approval of all delegate and alternate candidates submitted to the presidential candidate.

g. All special post-primary caucuses will be held on April 14, 2024 and shall follow the same procedure and rules outlined for the pre-primary caucus outlined in C (6) (f) & (g).

h. The Caucus Chairs must certify the outcome of their caucus to the State Chair no later than 5:00 PM on April 16, 2024.

i. The State Chair shall certify in writing to the Secretary of the Democratic National Committee the results of the special post-primary caucus no later than April 18, 2024.

j. By April 16, 2024, the Caucus Coordinator shall file with the State Chair, a list of those people who filled out signed statements of support at each caucus meeting. The list shall include the names, addresses and phone numbers of all caucus participants as designated on their statements of support.

D. Automatic Delegates

1. Automatic Party Leaders and Elected Officials

a. The following categories shall constitute the automatic Party Leaders and Elected Official delegate positions:

(1) Members of the Democratic National Committee who legally reside in Ohio.

(2) All of Ohio's Democratic Members of Congress.

(3) All former Democratic Presidents, all former Democratic Vice Presidents, all former Democratic Leaders of the US Senate, all former Democratic Speakers and Minority Leaders of the US House of Representatives, and all former Chairs of the Democratic National Committee

b. An Automatic delegate may run and be elected as a Pledged delegate. If an Automatic delegate is elected and certified as a Pledged delegate, that individual shall not serve as an Automatic delegate at the 2024 National Convention.

c. The certification process for the Automatic Party Leader and Elected Official delegates is as follows:

(1) Not later than March 6, 2024, the Secretary of the Democratic National Committee shall officially confirm to the Ohio Democratic Party Chair the names of the unpledged delegates who legally reside in Ohio.

(2) Official confirmation by the Secretary shall constitute verification of the unpledged delegates from the categories indicated above.

(3) The State Democratic Chair shall certify in writing to the Secretary of the DNC the presidential preference of the State's unpledged delegates the (10) days after the completion of the State's Delegate Selection process.

(4) For purposes of equal division, Ohio's delegation includes all pledged and automatic delegates.

E. Pledged Party Leader and Elected Official (PLEO) Delegates

1. Number of PLEO Delegates

Ohio is allotted 17 pledged Party Leader and Elected Official delegates.

2. Pledged PLEO Delegate Filing Requirements

a. Individuals shall be eligible for the pledged Party Leader and Elected Official delegate positions according to the following priority: statewide elected officials and big city mayors; state legislative leaders, state legislators, and other state, county, and local elected officials and party leaders. Automatic delegates who choose to run for PLEO delegate will be given equal consideration with statewide elected officials and big city mayors.

b. An individual can qualify as a candidate for a position as a pledged PLEO delegate by properly filing the Ohio Democratic Party "Declaration of Candidacy and Consent" form including a signed pledge of support designating a singular preference, with the Ohio Democratic Party by May 4, 2024. A person may modify their presidential preference by filing an updated pledge form before the deadline. Forms will be available on March 30, 2024 in the same manner as previously listed in this plan. (see page 12, section 4 c)

3. Presidential Candidate Right of Approval

a. The State Chair shall convey to the presidential candidate, or that candidate's authorized representative, not later than 4:00pm May 5, 2024, a list of all persons who have filed for a party and elected official delegate pledged to that presidential candidate.

b. Each presidential candidate, or that candidate's authorized representative must file with the State Chair by 4:00pm May 6, 2024 a list of all such candidates he or she has approved, as long as approval is given to at least two (2) names for every position to which the presidential candidate is entitled.

c. Failure to respond will be deemed approval of all delegate candidates submitted to the presidential candidate unless the presidential candidate or the authorized representative signifies otherwise in writing to the State Chair by May 7, 2024.

d. The Ohio Democratic Party will certify to the RBC that the list of approved delegate/alternate candidates meets affirmative action considerations within 3 days of receiving the list.

4. Selection of Pledged Party Leader and Elected Official Delegates

a. The pledged PLEO slots shall be allocated among presidential preferences on the same basis as the at-large delegates.

2024 Ohio Delegate Selection Plan

b. Selection of the pledged PLEO delegates will occur on May 11, 2024 at the State Executive Committee meeting held in Columbus, prior to the selection of at-large delegates and alternates.

c. These delegates will be selected by the State Executive Committee (membership composition described in Section VIII.) using the following procedure:

(1) The State Chair will announce the results of the March 19, 2024 primary and indicate the number of PLEO delegates each Presidential candidate is entitled to.

(2) The State Chair will announce the candidates pledged to each presidential candidate and call for a separate vote for each set of delegates.

(3) The vote shall be taken by hand vote or by signed ballot.

d. Alternates are not selected at the Party Leader and Elected Official level. These alternates are combined with the at-large alternates and selected as one unit.

5. Certification of Delegates

The State Chair shall certify in writing to the Secretary of the Democratic National Committee the election of the state's pledged Party Leader and Elected Official delegates to the Democratic National Convention within ten (10) days after their election.

F. At-Large Delegates and Alternates

1. Number of Delegates and Alternates

The state of Ohio is allotted 27 at-large delegates and 3 at-large alternates.

2. At-Large Delegate and Alternate Filing Requirements

a. Persons desiring to seek at-large delegate or alternate positions may file a statement of candidacy designating their singular presidential preference and a signed pledge of support for the presidential candidates with the Ohio Democratic Party by 4:00pm May 4, 2024. This form shall allow persons to file for all types of delegates and alternates at the same time. A person may modify their presidential preference by filing an updated pledge form before the deadline. Forms will be distributed by the state party on the day after the primary election. Forms may be submitted via email, in-person, or via USPS in the same manner as described for district delegate forms.

2024 Ohio Delegate Selection Plan

b. The statement of candidacy for at-large delegates and for at-large alternates will be the same. After the at-large delegates are elected by the State Executive Committee, those persons not chosen will then be considered candidates for at-large alternate positions unless they specify otherwise when filing.

3. Presidential Candidate Right of Approval

a. The State Chair shall convey to the presidential candidate, or that candidate's authorized representative, not later than 4:00pm May 5, 2024, a list of all persons who have filed for delegate or alternate pledged to that presidential candidate.

b. Each presidential candidate, or that candidate's authorized representative must then file with the State Chair, following the selection of Party Leader and Elected Officials, a list of all such candidates he or she has approved, provided that at a minimum, two (2) names remain for every national convention delegate or alternate position to which the presidential candidate is entitled. The list is due 30 minutes after the selection of PLEO delegates on May 11, 2024.

c. Failure to respond will be deemed approval of all at-large delegate candidates submitted to the presidential candidate unless the presidential candidate or the authorized representative signifies otherwise in writing to the State Chair prior to their selection.

d. The Ohio Democratic Party will certify to the RBC that the list of approved delegate/alternate candidates meets affirmative action considerations within 3 days of receiving the list.

4. Selection of At-Large Delegates and Alternates

a. At-large delegate and alternate positions shall be allocated among presidential preferences according to the state-wide primary vote.

b. Preferences which have not attained a 15% threshold on a state-wide basis shall not be entitled to any at-large delegates.

c. If no presidential preference reaches a 15% threshold, the threshold shall be the percentage of the statewide vote received by the front-runner, halved.

d. The selection of the at-large delegates and alternates will occur on May 11, 2024 after all pledged Party Leader and Elected Official delegates have been selected. Forms to apply for at-large delegates will be available on March 30, 2024 by the same means set forth in previous sections of this plan. Forms are due back to the ODP no later than 4:00pm on May 4, 2024.

2024 Ohio Delegate Selection Plan

e. These delegates and alternates will be selected by the State Executive Committee (membership composition described in Section VIII) at an open public meeting. After consultation with each candidates' official designee, the individuals chosen for each candidate for each category will be placed on separate resolutions for the State Executive Committee to vote. Upon approval by the committee of each separate resolution, the individuals are official members of the delegation.

f. In the selection of the at-large delegation, priority of consideration shall be given to African Americans, Hispanics, Native Americans, Asian/Pacific Americans, the LGBTQ+ community, disabled, women, veterans and youth. The election of at-large delegates and alternates shall be used, if necessary, to achieve the equal division of positions between men and women, and may be used to achieve the representation goals established in the Affirmative Action section of this Plan. Delegates and alternates are to be considered separate groups for this purpose.

In order to continue the Democratic Party's ongoing efforts to include groups historically under-represented in the Democratic Party's affairs, priority of consideration should be given to other groups by virtue of race/ethnicity, sex, creed, national origin religion, color, age, sexual orientation, gender identity and expression, economic status or disability.

g. If a presidential candidate is no longer a candidate at the time of selection of the at-large delegates, then those at-large slots that would have been allocated to the candidate will be proportionally divided among the remaining preferences entitled to an allocation.

h. If a given presidential preference is entitled to one or more delegate positions but would not otherwise be entitled to an alternate position, that preference shall be allotted one at-large alternate position.

i. The following procedure shall be used for the selection of at-large delegates and alternates:

(1) The State Chair will announce the results of the March 19, 2024 primary and indicate the number of at-large delegates each Presidential candidate is entitled to.

(2) The State Chair will announce the candidates pledged to each presidential candidate and call for a separate vote for each set of delegates and alternates.

(3) The vote shall be taken by hand vote or by signed ballot.

5. Certification of Delegates and Alternates

The State Chair shall certify in writing to the Secretary of the Democratic National Committee the election of the state's at-large delegates and alternates to the Democratic National Convention within ten (10) days after their election.

G. Replacement of Delegates and Alternates

1. Replacement of Pledged Delegates and Alternates

A pledged delegate or alternate may be replaced according to the following guidelines.

a. Permanent Replacement of a Delegate

(1) A permanent replacement occurs when a delegate resigns or dies prior to or during the national convention and the alternate replaces the delegate for the remainder of the National Convention.

(a) If a delegate candidate who has been elected but not yet certified to the DNC Secretary resigns, dies or is no longer eligible to serve, then that person will be replaced by an alternate who supports the same presidential candidate. Should an alternate need replaced, the authorized representative of the presidential candidate to whom the alternate was pledged shall select an individual of the same gender to replace the person after consultation with the State Party.

(2) Any alternate permanently replacing a delegate shall be of the same presidential preference and gender of the delegate being replaced, and to the extent possible shall be from the same political subdivision within the state as the delegate.

(a) In the case where the presidential candidate has only one alternate, that alternate shall become the certified delegate.

(b) If a presidential candidate has only one alternate, and that alternate permanently replaces a delegate of the opposite gender, thereby causing the delegation to no longer be equally divided, the delegation shall not be considered in violation of rule 6. C. In such a case, notwithstanding Rule 19 D (2), the presidential candidate or their authorized representative shall, at the time of a subsequent permanent replacement, replace a delegate with

2024 Ohio Delegate Selection Plan

a person of the opposite gender, in order to return the delegation to equal division of men and women.

(c) If the delegate is pledged to a presidential candidate, the delegation members pledged to the presidential candidate shall select the replacement.

b. Temporary Replacement of a Delegate

(1) A temporary replacement occurs when a delegate is to be absent for a limited period of time during the convention and an alternate temporarily acts in the delegate's place.

(2) Any alternate who temporarily replaces a delegate must be of the same presidential preference as the delegate the individual replaces, and to the extent possible shall be of the same gender and from the same political subdivision within the state as the delegate.

(3) The State Party shall choose the alternate who temporarily replaces the pledged delegate, delegate subject to the approval of the delegation members pledged to the presidential candidate.

c. Certification of Replacements

(1) Any alternate who permanently replaces a delegate shall be certified in writing to the Secretary of the DNC by the State Chair.

(2) Permanent replacement of a delegate (as specified above) by an alternate and replacement of a vacant alternate position shall be certified in writing by the State Chair to the Secretary of the Democratic National Committee within three (3) days after the replacement is selected.

(3) Certification of permanent replacements will be accepted by the Secretary up to 72 hours before the first official session of the Convention is scheduled to convene.

(4) In the case where a pledged delegate is permanently replaced after 72 hours before the time the first session is scheduled to convene or, in the case where a pledged delegate is not on the floor of the Convention Hall at the time a roll call vote is taken, an alternate may be designated (as specified above) to cast the delegate's vote. In such case, the Delegation Chair shall indicate the name of the alternate casting the respective delegate's vote on the delegation tally sheet.

d. A vacant alternate position shall be filled by the delegation. The replacement shall be of the same presidential preference, of the same sex,

2024 Ohio Delegate Selection Plan

and to the extent possible, from the same political subdivision as the alternate being replaced.

2. Replacement of Automatic Delegates

Automatic delegates shall not be entitled to a replacement, nor shall the state be entitled to a replacement, except under the following conditions:

- a. Members of Congress shall not be entitled to name a replacement. In the event of changes or vacancies in the state's Congressional Delegation, following the official confirmation and prior to the commencement of the National Convention, the DNC Secretary shall recognize only such changes as have been officially recognized by the Democratic Caucus of the US House of Representatives or the Democratic Conference of the US Senate.
- b. Members of the Democratic National Committee shall not be entitled to a replacement, nor shall the state be entitled to a replacement, except in the case of death of such delegates. In the case where the state's DNC membership changes following the DNC Secretary's official confirmation, but prior to the commencement of the 2024 Democratic National Convention, acknowledgment by the Secretary of the new DNC member certification shall constitute verification of the corresponding change of unpledged delegates.
- c. Distinguished Party Leaders shall not be entitled to name a replacement, nor shall the state be entitled to name a replacement.
- d. In no case may an alternate cast a vote for an unpledged delegate.

III. Selection of Standing Committee Members

A. Introduction

1. Number of Members

Ohio has been allocated 5 members on each of the three standing committees for the 2024 Democratic National Convention (Credentials, Platform and Rules), for a total of 15 members.

2. Membership Requirements

Members of the Convention Standing Committees need not be delegates or alternates to the 2024 Democratic National Convention.

B. Selection of Members

1. Selection Meeting

a. The members of the standing committee shall be elected by a quorum of Ohio's National Convention Delegates, at a meeting to be held on May 23, 2024

b. A quorum shall consist of 40% of Ohio's delegates to the National Convention.

c. All members of the delegation shall receive timely notice of the time, date and place of the meeting to select the standing committee members.

2. Allocation of Members

a. The members of the standing committees allocated to Ohio shall proportionately represent the presidential preference of all candidates receiving the threshold percentage used in Ohio's delegation to calculate the at-large apportionment pursuant to Rule 14 E of the Delegate Selection Rules.

b. The presidential preference of each candidate receiving the applicable percentage or more within the delegation shall be multiplied by the total number of standing committee positions allocated to Ohio. If the result of such multiplication does not equal 0.455 or above, the presidential preference in question is not entitled to representation on the standing committee. If the result of such multiplication is 0.455 but less than 1.455, the presidential preference is entitled to one (1) position. Those preferences securing more than 1.455 but less than 2.455 are entitled to two (2) positions, etc.

c. Where the application of this formula results in the total allocation exceeding the total number of committee positions, the presidential candidate whose original figure of representation is farthest from its eventual rounded-off total shall be denied that one (1) additional position. Where the application of this formula results in the total allocation falling short of the total number of committee positions, the presidential candidate whose original figure of representation is closest to the next rounding level shall be allotted an additional committee position

d. Standing committee positions allocated to a presidential candidate shall be proportionately allocated, to the extent practicable, to each of the three standing committees. When such allocation results in an unequal distribution of standing committee positions by candidate preference, a drawing shall be conducted to distribute the additional positions.

3. Presidential Candidate Right of Approval

a. Each presidential candidate, or that candidate's authorized representative shall be given adequate notice of the date, time, and location of the meeting of the state's delegation authorized to elect standing committee members.

b. Each presidential candidate, or that candidate's authorized representative, must submit to the State Chair, by 4:00pm May 18, 2024, a minimum of one (1) name for each slot awarded to that candidate for members of each committee. The delegation shall select the standing committee members submitted by the presidential candidates. Presidential candidates shall not be required to submit the name of more than one person for each slot awarded to such candidate for members of standing committees.

4. Selection Procedure to Achieve Equal Division

a. Presidential candidates shall use their best efforts to ensure that their respective delegation of standing committee members shall achieve Ohio's affirmative action goals and that their respective members are equally divided between men and women.

b. Each position on each standing committee shall be assigned by gender. For example, the first position on the Credentials Committee of the presidential candidate with the most standing committee positions shall be designated for a female, the second position for a male, and the remaining positions shall be designated in like fashion, alternating between males and females. Gender non-binary individuals may be chosen for any position. Positions for presidential candidates on each committee shall be ranked according to the total number of standing positions allocated to each candidate. After positions on the Credential Committee are designated by gender, the designation shall continue with the Platform Committee, then the Rules Committee.

(1) A separate election shall be conducted for membership on each standing committee.

(2) The membership of the standing committees shall be as equally divided as possible under the state allocation; if the number is even, the membership shall be equally divided between men and women; if the number is odd, the variance between men and women may not exceed one (1), and the advantaged gender must not remain constant for the three standing committees.

(3) The positions allocated to each presidential candidate on each committee shall be voted on separately, and the winners shall be the highest vote getter(s) of the appropriate sex.

5. Certification and Substitution

a. The State Chair shall certify the standing committee members in writing to the Secretary of the Democratic National Committee within three (3) days after their selection.

b. No substitutions will be permitted in the case of standing committee members, except in the case of resignation or death. Substitutions must be made in accordance with the rules and the election procedures specified in this section, and must be certified in writing to the Secretary of the Democratic National Committee within three (3) days after the substitute member is selected. Substitutions of standing committee members must be certified to the DNC Secretary not later than forty-eight (48) hours prior to the time the standing committee meets, except in the case of death.

Committee from the state. This selection will take place on May 11, 2024 at the State Executive Committee meeting.

2. The Convention Pages shall be as evenly divided between men and women as possible under the state allocation and shall reflect as much as possible, the Affirmative Action guidelines in the Affirmative Action Plan. 3. The State Chair shall certify the individuals to serve as Ohio's Convention Pages in writing to the Secretary of the Democratic National Committee within three (3) days after the selection.

V. General Provisions and Procedural Guarantees

A. Participation in Ohio's delegate selection process is open to all voters who wish to participate as Democrats. Duly registered or publicly declared Democrats will not be required to undertake a further enrollment as a condition of participation. Ohio law sets forth provisions for challenging a qualified elector's right to vote in a party primary election. Such a challenge may be asserted against one who is not affiliated with or is not a member of the party, according to Ohio Revised Code, Section 3513.15.

B. At no stage of Ohio's delegate selection process shall any person be required, directly or indirectly, to pay a cost or fee as a condition for participating. Voluntary contributions to the Party may be made, but under no circumstances shall a contribution be mandatory for participation.

C. No persons shall participate or vote in the nominating process for the Democratic presidential candidate who also participates in the nominating process of any other party for the corresponding elections.

D. No person shall vote in more than one meeting which is the first meeting in the delegate selection process.

E. The Ohio Democratic Party reaffirms its commitment to an open party by incorporating the provisions listed below. These provisions demonstrate the intention of the Democratic Party to ensure a full opportunity for all minority group members to participate in the delegate selection process.

1. All public meetings at all levels of the Democratic Party in Ohio should be open to all members of the Democratic Party regardless of race, sex, age, color, creed, national origin, religion, ethnic identity, sexual orientation, gender identity, economic status, or physical disability (hereinafter collectively referred to as "status.")

2024 Ohio Delegate Selection Plan

2. No test for membership in, nor any oaths of loyalty to the Democratic Party in Ohio should be required or used which has the effect of requiring prospective or current members of the Democratic Party to acquiesce in, condone or support discrimination based on "status."
 3. The time and place for all public meetings of the Democratic Party in Ohio on all levels should be publicized fully and in such manner to assure timely notice to all interested persons. Such meetings must be held in places accessible to all Party members and large enough to accommodate all interested persons. No secret ballots may ever be used at any party sponsored meeting.
 4. The Democratic Party in Ohio, on all levels, should support the broadest possible registration without discrimination based on "status."
 5. The Democratic Party in Ohio should publicize fully and in such a manner as to assure notice to all interested parties a full description of the legal and practical procedures for selection of Democratic Party officers and representatives on all levels. Publication of these procedures should be done in such fashion that all prospective and current members will be fully and adequately informed of the pertinent procedures in time to participate in each selection procedure at all levels of the Democratic Party organization.
 6. The Democratic Party in Ohio should publicize fully and in such a manner as to assure notice to all interested parties, a complete description of the legal and practical qualifications of all positions as officers and representatives of the Ohio Democratic Party. Such publication should be done in timely fashion so that all prospective candidates or applicants for any elected or appointed position will have full and adequate opportunity to compete for office.
- F. Discrimination on the basis of "status" in the conduct of Democratic Party affairs is prohibited.
- G. Ohio's delegation shall be equally divided between delegate men and delegate women, and alternate men and alternate women. Such goal applies to the entire delegation, which includes all pledged delegates and alternates and all automatic delegates. Delegates and alternates shall be considered separate groups for purposes of achieving equal division. In the case of gender non-binary delegates or alternates, they shall not be counted as either male or female, and the remainder of the delegation shall be equally divided by gender.
- H. No delegate at any level of the delegate selection process shall be mandated by law or Party rules to vote contrary to that person's presidential choice as expressed at the time the delegate is elected.
- I. Delegates elected to the national convention pledged to a presidential candidate shall in all good conscience reflect the sentiments of those who elected them.

2024 Ohio Delegate Selection Plan

- J. Forty percent of any Party body above the first level of the delegate selection process shall constitute a quorum for any business pertaining to the selection of convention delegates.
- K. No proxy voting will be permitted in any delegate selection caucus committee or any other body selecting delegates or alternates in Ohio.
- L. The unit rule, or any rule or practice whereby all members of a Party unit or delegation may be required to cast their votes in accordance with the will of the majority of the body, shall not be used at any stage of the delegate selection process.
- M. Any individual or group of Democrats may sponsor or endorse a slate of candidates for convention delegates. But no slate may, by virtue of such endorsement, receive a preferential place on a delegate selection ballot or be publicly identified on the ballot as the official Democratic Party organization slate, and all slates must meet identical qualifying requirements for appearing on a ballot at all levels of the delegate selection process.
- N. All steps in the delegate selection process, including the filing of presidential candidates, must take place within the calendar year of the Democratic National Convention, except with respect to the implementation of the Affirmative Action Plan.
- O. In electing and certifying delegates and alternates to the 2024 Democratic National Convention, Ohio thereby undertakes to assure all Democratic voters in the state full, timely and equal opportunity to participate in the delegate selection process and in all Party affairs and to implement affirmative action programs toward that end, and that the delegates and alternates to the Convention shall be selected in accordance with the Delegate Selection Rules for the 2024 Democratic National Convention, and that the voters in the state will have the opportunity to cast their election ballots for the Presidential and Vice Presidential nominees selected by said Convention, and for electors pledged formally and in good conscience to the election of these Presidential and Vice Presidential nominees, under the label and designation of the Democratic Party of the United States, and that the delegates certified will not publicly support or campaign for any candidate for President or Vice President other than the nominees of the Democratic National Convention.
- P. All delegates, alternates and standing committee members must be bona fide Democrats who have the interests, welfare, and success of the Democratic Party at heart, who subscribe to the substance, intent and principles of the Charter and Bylaws of the Democratic Party of the United States, and who will participate in the Convention in good faith.
- Q. All delegate and alternate candidates must be identified as to presidential preference at all levels which determine presidential preference.
- R. Ohio is participating in the state government-run presidential preference primary that will utilize government-run voting systems. The State Party has taken (or will take) provable positive steps to: (see attachments at end of plan for examples)

2024 Ohio Delegate Selection Plan

- a. Maintain secure and accurate state voter registration rolls, so that every eligible American who registers to vote has their personal information protected and secure. (Rule 2.H.1)
 - b. Implement transparent and accurate voter registration list maintenance procedures that comply with federal requirements and ensure that every eligible voter stays on the rolls; (Rule 2.H.2)
 - c. Promote the acquisition, maintenance, and regular replacement of precinct based optical scan voting systems; (Rule 2.H.3)
 - d. Seek enactment of legislation, rules, and policies at the state and local level to ensure that direct recording electronic systems include a voter verified paper trail (Rule 2.H. 4)
 - e. Seek enactment of legislation, rules and policies at the state and local level to ensure that both optical scan and direct recording electronic systems include recognized security measures. These measures include automatic routine annual audits comparing paper records to electronic records following every election and prior to certification or results where possible; parallel testing on election day; physical and electronic security for equipment; banning use of wireless components and connections; public disclosure of software design; use of transparent and random selection for all auditing procedures; and effective procedures for addressing evidence of fraud or error. (Rule 2.H.5&6)
The State Party will develop a strategy to provide education programs directed to voters who continue to experience confusing timelines for running for delegate, to ensure all Democratic voters understand the rules and timelines and their impact on voter participation.
 - f. Use accessible and secure voting machines that make it possible for individuals with disabilities to vote securely and privately. (Rule 2.H.7)
- S. In accordance with the Democratic Party’s requirement to assess and improve participation with respect to presidential preference and the delegate selection process the Ohio Democratic Party has, to the best of its ability and in cooperation with our members of the Ohio General Assembly, acted to protect and expand the vote and advance election fairness and security, including the six goals set forth above. Since Democrats do not control any branch of state government, we have very little sway to get any of these goals implemented. A copy of two recently introduced bills from the current General Assembly are attached as an addendum. Also attached is a list of press-releases from the ODP regarding these issues.
- T. Ohio will have a funded Voter Protection operation from fall of 2023 thru the 2024 election using paid staff and volunteer attorneys across the state. The State Party had a full-time Voter Protection operation for the 2022 statewide elections. If the DNC wants us to have a full time, year round operation in non-statewide election years, then the DNC needs to fund it.

VI. Affirmative Action, Equity and Inclusion Plan

A. Introduction

1. All public meetings at all levels of the Democratic Party in Ohio are open to all members of the Democratic Party regardless of race, sex, age, color, creed, national origin, religion, ethnic identity, sexual orientation, gender identity and expression, economic status, or physical disability (hereinafter collectively referred to as "status").
2. In order that the Democratic Party at all levels be an open Party which includes rather than excludes people from participation, a program of effective affirmative action is hereby adopted in Ohio.
3. Discrimination on the basis of "status" in the conduct of Democratic Party affairs is prohibited.
4. In order to achieve full participation by groups that are significantly under-represented in our Party's affairs, Ohio has developed Party outreach programs.
 - a. Such programs include recruitment, education and training, in order to achieve full participation by such groups in the delegate selection process and at all levels of Party affairs for 2024.
 - b. As part of these programs, outreach will be directed at all Democratic constituencies, including groups of individuals from any/all ethnic backgrounds, youth (anyone not yet having attained their 36th birthday), persons over 65 years of age, the LGBTQ+ community, workers, persons with a high school education or less, persons with physical disabilities, and persons of low and moderate income.
 - c. Since 2020, the party has set up and chartered a Veteran's Caucus, an AAPI caucus, a Hispanic Caucus, and a Women's Caucus. Additionally, we are in the process of chartering a Disability Caucus, a Pride Caucus and a Rural Caucus. We have had very successful and established Young Dem, College Dem, Young Black Dem organizations as well as our Legislative Black Caucus which are all represented on our Delegate Affirmative Action, Inclusion and Equity Committee. Each of these organizations will be given special "how to be a delegate" training as part of their regular meetings, as well as be informed of all of our online learning sessions. Additionally, each of the groups will film a "video" featuring their members that can be sent out to their statewide membership. This includes videos for those individuals that are deaf and blind.
5. In order to encourage full participation by all Democrats in the delegate selection process and in all Party affairs, the Ohio Democratic Party has adopted

2024 Ohio Delegate Selection Plan

and will implement affirmative action, equity and inclusion programs with specific goals and timetables for African Americans, Hispanics, Native Americans, Asian/Pacific Americans, the LGBTQ+ community, persons with disabilities, veterans, women and youth.

a. The goal of the affirmative action programs shall be to encourage participation in the delegate selection process and in Party organizations at all levels by the aforementioned groups as indicated by their presence in the Democratic electorate.

b. This goal shall not be accomplished either directly or indirectly by the Party's imposition of mandatory quotas at any level of the delegate selection process or in any other Party affairs.

6. Presidential candidates shall assist the Ohio Democratic Party in meeting the demographic representation goals reflected in the Affirmative Action Equity and Inclusion Plan.

a. Each presidential candidate must submit a written statement to the State Chair by November 23, 2023 which indicates the specific steps he or she will take to encourage full participation in Ohio's delegate selection process, including, but not limited to, procedures by which persons may file as candidates for delegate or alternate.

b. Each presidential candidate must submit demographic information with respect to all candidates for delegate and alternate pledged to them. Such information shall be submitted in conjunction with the list of names approved for consideration as delegate and alternate candidates pledged to the presidential candidate.

7. Presidential candidates shall use their best effort to ensure that their respective delegations shall achieve the affirmative action goals reflected in the Affirmative Action Equity and Inclusion Plan and that the respective delegations of each presidential candidate shall be equally divided between men and women. Furthermore, presidential candidates shall use their best efforts at the district-level to approve delegate and alternate candidates who meet applicable equal division and affirmative action goals and equal division for their respective delegations.

8. Implementation of the Affirmative Action, Equity and Inclusion Plan shall begin on September 13, 2023, with the distribution of the press kits, and will continue through the end of the process.

B. Organizational Structure - Affirmative Action, Equity and Inclusion Committee

1. An Affirmative Action, Equity and Inclusion Committee was appointed by the State Chair on February 1, 2023. The committee shall be diverse in all ways, including diverse geographically.
2. The names, addresses, contact numbers and demographic information of the Affirmative Action Committee should be submitted to the RBC by March 1, 2023. (Rule 6.F)
3. The Affirmative Action, Equity and Inclusion Committee shall be responsible for:
 - a. Reviewing the proposed Delegate Selection and Affirmative Action Plans and making recommendations to the State Chair.
 - b. Directing the implementation of all requirements of the Affirmative Action section of this plan.
 - c. Implementing a financial assistance program for delegates and alternates. In carrying out this responsibility, the Affirmative Action, Equity and Inclusion Committee shall:
 - (1) Encourage the participation and representation of persons of low and moderate income;
 - (2) Advise prospective delegates and alternates in a timely manner of the role and mandate of this Affirmative Action Committee;
 - (3) Receive requests for financial assistance from delegates and alternates otherwise unable to participate in the National Convention.
 - (4) Prepare specific information for all delegates and alternates as to how and where to seek financial assistance to defray expenses to the Convention. This information may include lists of groups or organizations willing to help and fund-raising ideas; and
 - (5) Plan and conduct the fundraising events or solicitations necessary to supplement other efforts.
 - d. Ensuring, on behalf of the Ohio Democratic Party, that district lines used in the delegate selection process are not gerrymandered to discriminate against African Americans, Hispanics, Native Americans, Asian/Pacific Americans, the LGBTQ+ community, and women.

2024 Ohio Delegate Selection Plan

4. Financial and staff support for the Affirmative Action, Equity and Inclusion Plan Committee shall be provided by the Ohio Democratic Party to the greatest extent feasible, including, but not limited to, the state party staff and volunteers and all reasonable costs incurred in carrying out this plan.

C. Implementation of the Plan

1. Publicity

a. Special attention shall be directed at publicizing the delegate selection process in the state. Such publicity shall include information on eligibility to vote and how to become a candidate for delegate, the time and location of each stage of the delegate selection process and where to get additional information. The State Party is committed to help achieve full participation of groups who have historically been denied the right to vote or who have been subjected to discriminatory and exclusionary practices. The party will make commit to hold every caucus at locations that are accessible to everyone. The foregoing information will also be published in the state party newsletter. The Party organization, official, candidate, or member calling a meeting or scheduling an event, shall effectively publicize the role that such meeting or event plays in the selection of delegates and alternates to the Democratic National Convention.

b. Newspapers, radio and television and social media will be utilized to inform the general public how, when and where to participate in the delegate selection process. Specifically, this information should provide details as to how to qualify to run as a delegate candidate. Special effort shall be directed to the major daily newspapers, radio and television stations by the State Chair, Affirmative Action, Equity and Inclusion Committee members and staff. Regular releases during the delegate selection process to all other media sources, weekly newspapers, and wire services should complete timely coverage.

c. A priority effort shall directed at publicity in minority newspapers and radio stations, ethnic press, Native American, Asian/Pacific American, Spanish-speaking and other non-English press, radio stations, and publications, and women's organizations, student newspapers and any other special media in the state that is likely to reach the Democratic constituency groups set forth in the introduction of this Affirmative Action, Equity and Inclusion Plan. The State Party shall be responsible for the implementation of this publicity effort. For purposes of providing adequate notice of the delegate selection process, the times, dates, places and rules for the conduct of caucuses and state executive committee meetings shall be effectively publicized, bilingual where necessary, to encourage the participation of minority groups.

2024 Ohio Delegate Selection Plan

d. Not later than September 13, 2023, a press kit shall be made and provided to each daily and weekly newspaper as well as to the electronic media. This press kit will include:

- (1) a summary of all pertinent rules related to the state's delegate selection process;
- (2) a map of delegate districts and how many delegates will be elected within each district;
- (3) a summary explaining the operation and importance of the 2024 Convention; and
- (4) materials designed to encourage participation by prospective delegate candidates.

2. Education

a. A virtual workshop shall take place at the Ohio Democratic Party's website beginning in November 2023 which will take and answer all questions from any interested parties concerning the delegate selection process. Information on the delegate selection process, including this plan will be available for all interested parties to read and download. The Ohio Democratic Party's website is www.ohiodems.org.

b. A speakers bureau of volunteers comprised of individuals who are fully familiar with the process, including staff and members from the Affirmative Action, Equity and Inclusion Committee will be organized to appear before groups as needed, to provide information concerning the process.

c. The state party will publish and make available at no cost: a clear and concise explanation of how Democratic voters can participate in the delegate selection process; an explanation of how, where and when persons can register to vote; and delegate district maps. As well, the State Party shall also make available copies of the State Party Rules, the Delegate Selection Plan (and its attachments), the Affirmative Action, Equity and Inclusion Plan, and relevant state statutes at no cost. Copies of documents related to the state's delegate selection process will be prepared and the Affirmative Action, Equity and Inclusion Committee will distribute them in the various delegate districts not later than September 13, 2023.

d. The state shall take all feasible steps to encourage persons to register and to vote as Democrats and will seek to ensure simple and easy registration procedures.

3. Representation Goals

- a. The state party, with assistance from the DNC has, to the best of its ability, determined the demographic composition of African Americans, Hispanics, Native Americans, Asian/Pacific Americans, the LGBTQ+ community, people with disabilities and youth (those not yet 36 years old) and veterans in the state's Democratic electorate. These constituency percentages shall be established as goals of representation in the state's convention delegation. Native Americans should provide their tribal affiliation and whether or not they are enrolled in their tribe. (See chart on page 52)
- b. When selecting the at-large portion of the delegation, the demographic composition of the other delegates (district-level, pledged PLEO, and automatic) shall be compared with the state party's goals in order to achieve an at-large selection process which helps to bring about a representative balance. Priority of consideration will be given to women, African Americans, Hispanics, Native Americans, Asian/Pacific Americans, the LGBTQ+ community, people with disabilities and youth in the selection of the at-large delegation.
- c. Use of the at-large delegation to achieve the affirmative action goals established by this Plan does not obviate the need for the state party to conduct outreach activities such as recruitment, education and training as well as making any party supervised meeting more accessible to people with disabilities.

VII. Challenges

A. Introduction

1. Jurisdiction

- a. Challenges related to the delegate selection process are governed by the *Regulations of the DNC Rules and Bylaws Committee for the 2024 Democratic National Convention* and the "Rules of Procedure of the Credentials Committee of the 2024 Democratic National Convention."
- b. Under Rule 21 of the *2024 Delegate Selection Rules*, the DNC Rules and Bylaws Committee has jurisdiction over challenges pertaining to the submission, non-implementation and violation of state Delegate Selection and Affirmative Action Plans.
- c. The Rules and Bylaws Committee has jurisdiction to hear and decide any challenge provided that it is initiated before the 56th day preceding the date of the commencement of the 2024 Convention.

2024 Ohio Delegate Selection Plan

d. Challenges to the credentials of delegates and alternates to the 2024 Democratic National Convention initiated on or after the 56th day preceeding the date of the commencement of the Convention shall be processed in accordance with the "Rules of Procedure of the Credentials Committee of the 2024 Democratic National Convention."

e. Any challenge to the credentials of a standing committee member shall be considered and resolved by the affected standing committee in accordance with Appendix A of the *Call for the 2024 Democratic National Convention*. The Rules and Bylaws Committee shall have jurisdiction over challenges brought before the 56th day preceeding the date of commencement of the Convention.

f. Copies of the Regulations of the Rules and Bylaws Committee and/or the Call for the 2024 Democratic National Convention, including the Rules of Procedure of the Credentials Committee (Appendix A) shall be made available by the state party upon reasonable request.

2. Standing

Any group of fifteen Democrats with standing to challenge as defined in Reg. 3.2 or the Call (Appendix A, Sec. 2:A), may bring a challenge to this Plan or to the implementation of this Plan, including its Affirmative Action provisions.

B. Challenges to the Status of the State Party and the Plan

1. A challenge to the status of the Ohio Democratic Party as the body entitled to sponsor a delegation from Ohio shall be filed with the Rules and Bylaws Committee not later than thirty (30) calendar days prior to the initiation of the state's delegate selection process.

2. A challenge to the state's Delegate Selection Plan shall be filed with the Chair of the Ohio Democratic Party and the Co-Chairs of the Rules and Bylaws Committee within fifteen (15) calendar days after the adoption of the Plan by the State Party.

3. A challenge to a Plan must be brought in conformity with the Rules and the Regs., which should be consulted for a detailed explanation of challenge procedures.

C. Challenges to Implementation

1. A challenge may be brought alleging that a specific requirement of an approved Plan has not been properly implemented. Jurisdiction over all

2024 Ohio Delegate Selection Plan

challenges initiated in a timely fashion shall reside with either the Rules and Bylaws Committee or the Credentials Committee of the National Convention (See Section VII.A. above). However, the Rules and Bylaws Committee may provide advice, assistance or interpretations of the Delegate Selection Rules at any stage of the delegate selection process.

2. An implementation challenge brought before the Rules and Bylaws Committee is initiated by filing a written challenge with the Ohio Democratic Party and with the Rules and Bylaws Committee not later than fifteen (15) days after the alleged violation occurred. The state party has twenty-one (21) days to render a decision. Within ten (10) days of the decision, any party to the challenge may appeal it to the Rules and Bylaws Committee. If in fact, the state party renders no decision, any party to the challenge may request the Rules and Bylaws Committee to process it. The request must be made within ten (10) days after the expiration of the above twenty-one (21) day period.

3. Performance under an approved Affirmative Action Plan and composition of the convention delegation shall be considered relevant evidence in the challenge to any state delegation. If the state party has adopted and implemented an approved affirmative action program, the state party shall not be subject to challenge based solely on delegate composition or primary results. The procedures are the same for challenges alleging failure to properly implement the Affirmative Action section of a Plan, except that such challenges must be filed not later than thirty (30) days prior to the initiation of the state's delegate selection process.

4. Depending on the appropriate jurisdiction (see Section VII. A. above), implementation challenges must be brought in conformity with the Regulations of the Rules and Bylaws Committee or the Rules of Procedure of the Credentials Committee, which should be consulted for a detailed explanation of challenge procedures.

VIII. State Executive Committee

The State Executive Committee is the selecting body for Pledged Party Leader and Elected Official Delegates, and Pledged At-Large Delegates and Alternates.

The State Executive Committee, pursuant to Article Three Section 6 of the Constitution of the Ohio Democratic Party, is composed of 66 members (one male and one female) elected from Ohio's 33 State Senate Districts on Primary Election Day in Gubernatorial years (August 2022 was the most recent election); ex-officio members which includes all non-Judicial Statewide officeholders, Democratic Candidates for Statewide Office, and the Democratic leaders of both the Ohio House of Representatives and the Ohio Senate; 65 at-large members; 10 members of the Finance Council, and presidents of groups who represent various statewide Democratic organizations and official caucuses. Those members who are not elected are recommended by the State Chair and approved by the State Executive Committee within 30 days of the reorganization of the party which must occur

2024 Ohio Delegate Selection Plan

between 5-21 days after the certification of the election by the Secretary of State, and must be broadly representative of all the various elements of the party in accordance with the principles contained in the Charter and By-Laws of the Democratic Party of the United States. These at-large members include the chairpersons of the twelve most populous democratic counties, and representatives from allied affiliated organizations. This requires the membership to comply with the equal division requirements of Article 9, Section 16 of the Charter of the Democratic Party. All appointed members of the committee were selected in August of 2020.

The State Executive Committee pursuant to the authority granted to it by the State Central Committee shall promulgate and file with the Secretary of State its rules governing the issuance of certificates.

IX. Electoral College

Ohio will select 17 persons to serve as 2024 Presidential Electors. There will be 15 district electors, one for each of the state's congressional districts, and 2 at-large electors.

Presidential Electors will be chosen by delegates to the state convention. Ohio Revised Code statutes and provisions of the ODP constitution requires that the electors be chosen at the party state convention and between the dates of the certification of the primary election and 40 days before the general election. State Law

Candidates for the 15 district electors are nominated and voted on by delegates to the state convention that reside in their respective congressional district. Any individual who is a democrat in good standing is eligible to run for elector. All candidates for elector MUST sign a pledge that they will vote for the Democratic Party nominee for President and Vice President. They can be nominated by any delegate of the convention within their congressional district by a simple voice nomination. After all nominations have been received, the convention delegates from that district will vote. The winner needs to receive 50% + 1 of the votes cast by the delegates of that district to be declared the winner. Since all delegates to the State Convention are required to sign a pledge of support to the party, and elections for electors are highly competitive and have never been won by an individual who isn't attending in person (with the exception of the COVID year, 2020 when a electronic convention was held,) the odds of someone winning an election as an elector who is not a vetted, bona fied Democrat are the same odds as winning the lottery.

After each district has completed their vote (all districts conduct their election simultaneously) the entire convention body will then elect the 2 at-large electors. Any democrat may be nominated by any delegate present. After all nominations are complete, an election is held and the winners announced. Again, each winner must receive 50% + 1 of those votes cast. Elections are conducted under the same process that DNC elections are held. Votes are taken and the individual with the lowest total is dropped until both winners have received 50% +1 of the votes cast.

2024 Ohio Delegate Selection Plan

Upon the conclusion of the convention, the Secretary of the Ohio Democratic Party is required, within 5 business days, to file the names and addresses of those chosen as electors to the Secretary of State.

Each candidate elected is given an oath to support the Democratic Nominee.

Ohio Revised Code 3505.40 requires that electors vote for the nominee for President and Vice-President. It is listed below. Since no Ohio elector has attempted to vote for someone other than their own nominee, there is no precedent to determine how it would be enforced and what penalty could be assessed.

Applicable Ohio Law is copied below:

3513.11 State convention of major political parties.

In the year 1952 and in each second year thereafter, each major political party in the state may hold a state convention. If a major political party holds a state convention, it shall comply with the requirements of this section. A state convention of a major political party shall be composed of delegates who are its candidates for election to state offices, except judicial offices; its candidates for election to the office of member of the senate of the United States, member of the house of representatives of the United States, and member of the general assembly of Ohio; the members of its state central and executive committees, and the chairman of its county central and executive committees; and five hundred delegates to be apportioned by the state central committee of the respective parties among the several counties of the state in proportion to its party's vote for governor cast in the several counties at the most recent general election; provided that in any even-numbered year in which no election is to be held to elect successors to incumbents of any of the offices mentioned in this section, except judicial offices, each such incumbent shall also be a delegate to the state convention of his political party. The delegates to such convention apportioned to each county by the state central committee of the respective parties shall be selected by the county executive committees of the respective parties.

At each convention of a major political party, the state platform of such party for such year shall be formulated.

The state central committee of each political party shall fix the time and place for holding the convention of its party, except that the state convention shall be held no later than forty days prior to the general election.

2. Demographic Study and Analysis

The demographic composition of Ohio's Democratic electorate will be determined by using 2020 Census Data and 2020 exit polling from major credible sources. We will also incorporate any and all information provided to us from the DNC.

**U S Census Data (OH 2020) NBC/CBS/CNN/NYTIMES Exit Polls
from 2020 (OH, unless noted)**

	<u>% of Population</u>	<u>Biden Vote 2020</u>
African Americans	12.5 %	91 %
Hispanics	4.3 %	57 %
Asian Pacific Americans	2.3 %	N/A
Native Americans	0.3 %	N/A
LGBTQ+	4.5% (est)	N/A (nationally)
Youth (18-19)	2.7 % (est)	57 % (18-29)
(20-34)	19.4%	51 % (30-44)
Veterans	5.7% (this is the estimated % of veteran’s in Ohio.)	

Our committee decided we should use this % as the goal for our plan.)

Affirmative Action, Equity and Inclusion Goals

Category	Percent	Delegates	Alternates	Committees
African Americans	27.3	39	3	3
Hispanics	6.0	8	1	1
Asian Pacific Americans	2.45	3	0	0
Native Americans	0.30	1	0	0
People w/ Disabilities^	10	14	1	1
LGBTQ+	6.75	9	1	1
Youth	22.0	28	2	3
Veterans* (per committee)	5.7	7	0	1

*(this is the estimated % of veteran’s living in Ohio. Our committee decided we should use this % as the goal for our plan.)

^(the committee took the DNC estimate, and reduced it as our state BMV numbers show fewer than 100,000 With Disability license/plates and there is NO reliable data to determine the % of vote for Democrats)
