## Section I Introduction & Description of Delegate Selection Process

### A. Introduction

1. Tennessee has a total of 70 delegates and 5 alternates. *(Call I & Appendix B)*
2. The delegate selection process is governed by the *Charter and Bylaws of the Democratic Party of the United States*, the *Delegate Selection Rules for the 2024 Democratic National Convention* (“Rules”), the *Call for the 2024 Democratic National Convention* (“Call”), the *Regulations of the Rules and Bylaws Committee for the 2024 Democratic National Convention* (“Regs.”), the rules of the Democratic Party of Tennessee, the Tennessee election code, and this Delegate Selection Plan. *(Call II.A)*
3. Following the Tennessee Democratic Party Executive Committee’s adoption of this Delegate Selection Plan, the State Party shall submit the Plan for review and approval by the DNC Rules and Bylaws Committee (“RBC”). The State Party Chair shall be empowered to make any technical revisions to this document as required by the RBC to correct any omissions and/or deficiencies as found by the RBC to ensure its full compliance with Party Rules. Such corrections shall be made by the State Party Chair and the Plan resubmitted to the RBC within 30 days of receipt of notice of the RBC’s findings. *(Reg. 2.5, Reg. 2.6 & Reg. 2.7)*
4. Once this Plan has been found in Compliance by the RBC, any amendment to the Plan by the State Party must be submitted to and approved by the RBC before it becomes effective. *(Reg. 2.9)*

### B. Description of Delegate Selection Process

1. Tennessee will use a proportional representation system based on the results of the primary for apportioning delegates to the 2024 Democratic National Convention.
2. The “first determining step” of Tennessee’s delegate selection process will occur on March 5, 2024, with a primary. If called by county parties, County Primary Elections will happen on the same day.

### C. Voter Participation

1. Participation in Tennessee’s delegate selection process is open to all voters who wish to participate as Democrats. *(Rule 2.A and Rule 2.C.)*
  - a. Voters must be registered to vote no later than February 5, 2024 to be eligible;
  - b. Voters may register at their county election commission office, online, by mail or at an approved registration site.
    - (1) Voters are not required to register by Party.
    - (2) In order to participate, they must request a Democratic primary ballot to vote in the Democratic presidential preference primary. (RULE 2.A & REG. 4.3.B)
    - (3) This selection is recorded by the Tennessee Secretary of State and reported publicly on the voter file. (RULE 2.A & REG. 4.3.A)
  - c. To encourage participation by youth in the delegate selection process, any individual who will have turned 18 by the date of the general election will be allowed to participate in the delegate selection process. Those who are not at least 18 years of age on March 5, 2024, **are not legally able to vote in the primary, and so** will not be required to vote in the March 5, 2024, Presidential Preference to participate. *(Reg. 4.3.C)*
  - d. At no stage of Tennessee’s delegate selection process shall any person be required, directly or indirectly, to pay a cost or fee as a condition for participating. Voluntary contributions to the Party may be made, but under no circumstances shall a contribution be mandatory for participation. *(Rule 2.D & Reg. 4.4)*
  - e. No person shall participate or vote in the nominating process for the Democratic presidential candidate who also participates in the nominating process of any other party for the corresponding election. *(Rule 2.E)*
  - f. Votes shall not be taken by secret ballot at any stage of the delegate selection process, including processes leading up to the selection of DNC Members or State Chairs or Vice Chairs, who serve as DNC members by virtue of their office, except that use of such voting by secret ballot may be used in a process that is the first determining stage of the delegate election process and in which all individual voters who wish to participate as Democrats are eligible to do so. The first determining stage in Tennessee is the Presidential Preference election (Primary) held on March 5, 2024. *(Rule 2.F)*
  - g. No person shall vote in more than one (1) meeting which is the first meeting in the delegate selection process. *(Rule 3.E & Reg. 4.7)*

2. Tennessee is participating in the state government-run presidential preference primary that will utilize government-run voting systems. The State Party will seek enactment of legislation, rules and policies at the state and local level to enhance voter and election security and combat election subversion to:
  - a. Maintain secure and accurate state voter registration rolls, so that every eligible American who registers to vote has their personal information protected and secure; *(Rule 2.H.1)*
  - b. Implement transparent and accurate voter registration list maintenance procedures that comply with federal requirements and ensure that every eligible voter stays on the rolls; *(Rule 2.H.2)*
  - c. Promote the acquisition, maintenance, and regular replacement of precinct based optical scan voting systems; *(Rule 2.H.3)*
  - d. Ensure that any direct recording electronic systems in place have a voter verified paper record; *(Rule 2.H.4)*

  - i. Actively engaging with state and local officials to implement fair and honest election policies and practices; and *(Rule 2.H.9)*
  - j. Support adequate funding for state and local election administration. *(Rule 2.H.10)*
3. In accordance with the Democratic Party's requirement to assess and improve participation with respect to presidential preference and the delegate selection process, the Tennessee Democratic Party has taken the following steps and actions with DNC assistance. *(Rule 2.I and 2.I.1)*
  - a. In order to expand access to voting, including by early voting, no excuse absentee, same-day voter registration, drop boxes, and voting by mail, the Tennessee Democratic Party has fought in court against racially biased early

voting location placements and supported Democratic legislation to allow same day voter registration. Tennessee currently has in person early voting and the in person early voting period established by the Tennessee Secretary of State for the March 5, 2024 Presidential Preference Election is from February 14-27, 2024. The same registration deadline of February 5, 2024 applies to those seeking to vote during the early voting period or on Election Day. *(Rule 2.1.1.a)*.

- b. To ensure that voting locations are accessible, fairly placed, and adequate in number, and have a sufficient number of voting machines, the TNDP has filed objections when voting locations have been placed inappropriately or at inaccessible locations that have disadvantaged voters, and will work with county parties to ensure fair placement of early voting locations. *(Rule 2.1.1.b)*
  - c. The TNDP's support for expanding early voting locations and hours will help speed up the voting process and minimize long lines on election day. *(Rule 2.1.1.c)*
  - d. The TNDP has consistently opposed unjust and racist voter identification requirements and Democratic legislators have introduced legislation to allow same day registration in response to these onerous rules and eliminate discriminatory voter identification requirements. *(Rule 2.1.1.d)*
  - e. In order to count and include in the final total ballots from voters who are eligible to vote but cast their ballots in the wrong precinct for offices for which they are eligible to vote, the TNDP consistently works to increase awareness of the provisional ballot option to ensure votes are cast, while working on policies to make this process more transparent. *(Rule 2.1.1.e)*
  - f. Tennessee has applicable absentee ballot laws and rules to follow the federal UOCAVA guidelines for military and overseas voting and allows such voters to receive and return ballots in a variety of secure methods. *(Rule 2.1.1.f)*
4. As part of encouraging participation in the delegate selection process by registered voters, the TNDP has been and is supporting efforts to make voter registration easier, including supporting: *(Rule 2.1.2)*
- a. Tennessee offers voter registration online, in person, or by mail, with the requirement to register 30 days before the March 5, 2024 Presidential Preference Primary election. The Tennessee Democratic Party publicly advocated for modernized voter registration including online voter registration, which we now have. Additionally, Tennessee Democratic legislators have filed legislation to allow for same-day registration. *(Rule 2.1.2.a)*

- b. The Tennessee Democratic Party will work with our county parties to ensure their local election commissions comply with the requirements to hold registration events at local high schools, including pre-registration of high school students so that they are already registered once they reach voting age; (Rule 2.1.2.b)
  - c. The Tennessee Democratic Party supports legislation ensuring a simple and transparent process for the restoration of voting rights to all people who have served time for criminal convictions, without requiring the payment of court fees or fines; (Rule 2.1.2.c)
  - d. Tennessee Democratic legislators have filed legislation to allow for same day voter registration. (Rule 2.1.2.d)
5. The Tennessee Democratic Party takes steps to ensure an open and inclusive voting process and continues to resist attempts at voter suppression and disenfranchisement. Tennessee voters do not have to register in advance by political party and all voters who share the values of the Democratic Party are encouraged to participate with their local democratic organizations and vote with and for Democrats on primary day. *(Rule 2.J and Rule 2.J.1)*
- D. Scheduling of Delegate Selection Meetings

The dates, times and places for all official Party meetings and events related to the state’s delegate selection process must be scheduled to encourage the participation of all Democrats. Such meetings must begin and end at reasonable hours, considering religious observations. The TNDP is responsible for setting the dates and times of all official meetings related to the delegate selection process and for confirming these meetings are held in publicly accessible facilities. *(Rule 3.A & Reg. 4.)*

### 3. Apportionment of Congressional District-Level Delegates

- a. The apportionment of Congressional District level delegates to be elected at each Congressional District Convention is predetermined based on a formula giving equal weight to the congressional district's total population and the congressional district's average vote for the Democratic candidates in the 2016 and 2020 presidential elections. This formula best represents the Democratic electorate and is most inclusive due to the higher turnout in presidential elections which best represents Democratic voters as a whole. (Rule 8.A.; Regs. 4.11, 4.12 & Appendix A) (See Attachment at end of section for detailed explanation on how district-level delegates are apportioned.)
- b. The number of men and the number of women in the state's total number of district-level delegates will not vary by more than one. (Rule 6.C.1 & Reg. 4.9)
- c. Each congressional district is expected to elect delegates who meet the state's representation goals at the district level convention. At least half of each district's total delegates shall be delegates who help meet the state's overall representation goals.

- d. The congressional district-level delegates are apportioned to the congressional districts as indicated in the following table (*Rule 8.B*).

District	Delegates		
	Male*	Female*	Total
#1	2	2	4
#2	2	2	4
#3	2	2	4
#4	2	2	4
#5	2	3	5
#6	2	2	4
#7	3	2	5
#8	2	2	4
#9	3	4	7
Total	20	21	41

\*The number of binary gendered apportionments are maximum numbers, rather than required numbers. Please refer to subsection III. A. 7 Equal Division of Congressional District-Level Delegates and Alternates regarding binary gendered apportionment requirements and gender non-binary delegates.

#### 4. Congressional District-Level Delegate Filing Requirements

- a. A Congressional District-level delegate candidate may run for election only within the Congressional District in which they are registered to vote. (*Rule 12.H*)
- b. An individual can qualify as a candidate for Congressional District-level delegate to the 2024 Democratic National Convention by filing a statement of candidacy designating their singular presidential (or uncommitted) preference and a signed pledge of support for the presidential candidate (including uncommitted status) with the Tennessee Democratic Party, 4900 Centennial Blvd, Suite 300, Nashville, TN 37209 between January 9, 2024, and 12:00pm February 20, 2024.
  - i. Beginning January 9, 2024, delegate candidates may obtain the statement of candidacy and pledge of support forms in person or from the Tennessee Democratic Party’s web site at TNDP.ORG.

Filing instructions will be available from the State Party's web site at TNDP.ORG or by calling 615-327-9779.

- ii.* All Declaration of Candidacy and Pledge of Support forms for Congressional District Delegate must be received no later than February 20, 2024, 12 Noon CST at the Tennessee Democratic Party, 4900 Centennial Blvd, Suite 300, Nashville, TN 37209, in person, by mail, or through the State Party's web site at TNDP.ORG.
- iii.* A delegate candidate may modify their singular presidential preference by submitting an updated pledge of support no later than the filing deadline. (*Rule 13.B, Rule 15.F & Reg. 4.22*)

5. Presidential Candidate Right of Review for Congressional District-Level Delegates

- a. The State Democratic Chair shall convey to the presidential candidate, or that candidate's authorized representative(s), not later than February 27, 2024, 5 pm CST, a list of all persons who have filed for delegate pledged to that presidential candidate. (*Rule 13.D & Rule 13.F*)
- b. Each presidential candidate, or that candidate's authorized representative(s), must then file with the Tennessee Democratic Chair by March 4, 2024, 5 pm CST, a list of all such candidates he or she has approved, provided that approval be given to at least three (3) times the number of candidates for delegate men and three (3) times the number of candidates for delegate women to be selected. (*Rule 13.E.1 & Reg. 4.24, 4.24*)
- c. Failure to respond will be deemed approval of all delegate candidates submitted to the presidential candidate unless the presidential candidate, or the authorized representative(s), signifies otherwise in writing to the Tennessee Democratic Chair not later than March 4, 2024, 5 pm CST. The presidential candidate shall not reject a candidate without providing just cause for doing so in writing to the state party.
- d. National convention delegate and alternate candidates removed from the list of bona fide supporters by a presidential candidate, or that candidate's authorized representative(s), may not be elected as a delegate at that level pledged to that presidential candidate (including uncommitted status). (*Rule 13.E & Reg. 4.23*)
- e. The Tennessee Democratic Chair shall certify in writing to the Co-Chairs of the DNC Rules and Bylaws Committee whether each presidential candidate (including uncommitted status) has used their best efforts to ensure that their respective Congressional District-level delegate candidates and Congressional

District-level alternate candidates meet the affirmative action and inclusion considerations and goals detailed in the Affirmative Action section of this Plan within three (3) business days of returning the list of approved Congressional District-level delegate candidates and Congressional District-level alternate candidates as indicated in Section III.A.5.b of this Plan. (*Rule 6.1, Reg 4.10c*)

6. Fair Reflection of Presidential Preference

- a. Presidential Primary – Proportional Representation Plan  
The Tennessee presidential primary election is a “binding” primary. Accordingly, delegate positions shall be allocated so as to fairly reflect the expressed presidential (or uncommitted) preference of the primary voters in each Congressional District. The National Convention delegates selected at the Congressional District level shall be allocated in proportion to the percentage of the primary vote won in that Congressional District by each preference, except that preferences falling below a 15% threshold shall not be awarded any delegates or alternates. (*Rule 14.A, Rule 14.B & Rule 14.D*)
- b. Within a Congressional District, if no presidential preference reaches a 15% threshold, the threshold shall be half the percentage of the vote received in that Congressional District by the front-runner. (*Rule 14.F*)
- c. Congressional District-level delegates pledged to a presidential candidate (including uncommitted status) are selected by a caucus of persons from the Congressional District electing the delegate who sign statements of support for that presidential candidate. (*See Sec. III., A, 2: a & b for description*). (*Rule 13.G.*)

7. Equal Division of Congressional District-Level Delegates and Alternates

- a. To ensure the district-level delegates are equally divided between men and women (determined by gender self-identification) the gender of the first binary delegate elected in each district will be designated. At the time of election of delegates in the district the binary gender advantage will alternate as delegate positions are filled and the alternation shall continue across presidential preferences in order of vote-getting preference. In the case of non-binary gender delegates, they shall not be counted in either the male or female category. (*Rule 6.C., Rule 6.C.1 & Reg. 4.10*)
- b. In no case shall the apportionment of delegate positions by gender for the purpose of attaining as equal division of binary genders as mathematically possible be used to prevent gender non-binary individuals from seeking or attaining positions as Congressional District-level Delegates. There is no requirement that positions be assigned to gender non-binary individuals, but

the described alternation of binary genders may not be used to exclude a gender non-binary individual from running as a Congressional District level delegate.

- c. When a gender non-binary individual is elected to fill a Congressional District level delegate position, the maximum possible number of binary gendered positions is reduced by one to compensate, maintaining the same total number of delegates.
  - d. In the case where gender non-binary individuals have qualified to run in multiple Congressional District Conventions which will be occurring simultaneously in different parts of the State, the State Party will provide oversight to alternate reductions in binary gendered delegate positions between Congressional District conventions, maintaining as equal a division as mathematically possible among binary gendered members of the entire Congressional District level delegation statewide.

Population Data from US Census online at census.gov and election result data from Tennessee Secretary of State online and the Federal Election Commission online.

There are forty-one (41) congressional delegates for Tennessee who will attend the Democratic National Convention. These delegates were divided among Tennessee's nine Congressional Districts according to the following formula prescribed by the DNC:

$$\frac{1}{2} * [(CD \text{ pop}) / (\text{State pop}) + (CD \text{ Dem Vote}) / (\text{State Dem Vote})] = \% \text{ delegates}$$

We used the above formula to determine the number of delegates that would be assigned to each Congressional District. Each County sends a number of selectors to a Congressional Convention. These selectors elect the above Congressional Delegates. Counties are assigned a number of delegates in equal proportion to the county's population and percentage of Tennessee's Democratic Presidential vote. Therefore, the same formula used to determine the split of the congressional delegates was used to determine the number of selectors each county is assigned to send to their Congressional Convention.

## Section IV

### Selection of Convention Standing Committee Members

#### A. Introduction

1. Tennessee has been allocated 3 members on each of the three (3) standing committees for the 2024 Democratic National Convention (Credentials, Platform, and Rules), for a total of 9 members. *(Call VII.A & Appendix D)*
2. Members of the Convention Standing Committees need not be delegates or alternates to the 2024 Democratic National Convention. *(Call VII.A.3)*
3. These members will be selected in accordance with the procedures indicated below. *(Rule 1.G)*

#### B. Standing Committee Members

1. Selection Meeting
  - a. The members of the standing committees shall be elected by a quorum of Tennessee's National Convention delegates, at a meeting to be held on a date to be determined following the selection of all delegates. *(Call VII.B.1)*
  - b. All members of the delegation shall receive adequate notice of the time, date and means of conducting the meeting to select the standing committee members. *(Call VII.B.1)*
2. Allocation of Members
  - a. The members of the standing committees allocated to Tennessee shall proportionately represent the presidential preference of all candidates (including uncommitted status) receiving the threshold percentage used in the state's delegation to calculate the at-large apportionment pursuant to Rule 14.E. of the Delegate Selection Rules. *(Call VII.C.1 & Reg. 5.9)*
  - b. The presidential preference of each candidate receiving the applicable percentage or more within the delegation shall be multiplied by the total number of standing committee positions allocated to Tennessee. If the result of such multiplication does not equal 0.455 or above, the presidential preference in question is not entitled to representation on the standing committee. If the result of such multiplication is 0.455 but less than 1.455, the presidential preference is entitled to one (1) position. Those preferences securing more than 1.455 but less than 2.455 are entitled to two (2) positions, etc. *(Call VII.C.2)*

- c. Where the application of this formula results in the total allocation exceeding the total number of committee positions, the presidential candidate whose original figure of representation is farthest from its eventual rounded-off total shall be denied that one (1) additional position. Where the application of this formula results in the total allocation falling short of the total number of committee positions, the presidential candidate whose original figure of representation is closest to the next rounding level shall be allotted an additional committee position. *(Call VII.C.3)*
  - d. Standing committee positions allocated to a presidential candidate shall be proportionately allocated, to the extent practicable, to each of the three (3) standing committees. When such allocation results in an unequal distribution of standing committee positions by candidate preference, a drawing shall be conducted to distribute the additional positions. *(Call VII.C.4)*
3. Presidential Candidate Right of Review
- a. Each presidential candidate, or that candidate's authorized representative(s), shall be given adequate notice of the date, time and location of the meeting of the state's delegation authorized to elect standing committee members. *(Call VII.D.1)*
  - b. Each presidential candidate, or that candidate's authorized representative(s), must submit to the State Democratic Chair, by April 27, 2024 a minimum of (1) name for each slot awarded to that candidate for members of each committee, following the election of the at-large delegates and alternates. The delegation shall select the standing committee members from among names submitted by the presidential candidates (including uncommitted status). Presidential candidates shall not be required to submit the name of more than one (1) person for each slot awarded to such candidate for members of standing committees. *(Call VII.D.2)*
4. Selection Procedure to Achieve Equal Division
- a. Presidential candidates (including uncommitted status) shall use their best efforts to ensure that their respective delegation of standing committee members shall achieve Tennessee's affirmative action, outreach and inclusion goals and that their respective male and female members are equally divided between the men and women determined by gender self-identification. *(Rule 6.1 & Reg. 4.10)*
  - b. The first binary gender position on each standing committee shall be assigned by binary gender as self-identified. For example, the first binary position on the Credentials Committee of the presidential candidate with the most standing committee positions shall be designated for a male, and the next binary

position, if one occurs, will be designated for a female, and the remaining binary positions, to the extent they occur, shall be designated in like fashion, alternating between males and females, where applicable. For avoidance of doubt: there is no requirement that positions be assigned to gender non-binaries, but the described alternation of binary genders may not be used to exclude a gender non-binary from consideration for a committee position. Positions for presidential candidates on each committee shall be ranked according to the total number of standing positions allocated to each such candidate. After positions on the Credentials Committee are designated by gender, the designation shall continue with the Platform Committee, then the Rules Committee.

- (1) A separate election shall be conducted for membership on each standing committee.
- (2) The male and female membership of the standing committees shall be as equally divided among the men and women as possible under the state allocation; the variance between men and women in any committee or among the three committees in aggregate shall not exceed one. *(Call VII.E.2)*
- (3) Gender non-binary committee members shall not be counted as either a male or female, and the remainder of the delegation shall be equally divided between male gender (men) and female gender (women). *(Call VII.E.1)*
- (4) The positions allocated to each presidential candidate on each committee shall be voted on separately, and the winners shall be the highest vote-getter(s) of the appropriate gender.

## 5. Certification and Substitution

- a. The State Democratic Chair shall certify the standing committee members in writing to the Secretary of the Democratic National Committee within three (3) days after their selection. *(Call VII.B.3)*

## **Section VIII**

### **Affirmative Action Plan and Outreach and Inclusion Program**

#### **A. Statement of Purpose and Organization**

## **B. Representation Goals**

- 1. In cooperation with the National Committee, the State Party has determined the demographic composition of African Americans, Hispanics, Native Americans, and Asian Americans and Pacific Islanders in the state's Democratic electorate. These constituency percentages shall be established as goals for representation in the state's convention delegation. *(Rule 6.A)*
- 2. In cooperation with the National Committee, the State Party has determined the demographic composition of members of the LGBTQ+ community, people with disabilities, and youth in the state's Democratic electorate. The State Party has chosen to establish these percentages as goals for representation in the state's convention delegation. *(Rule 7 & Reg. 4.8.C.iii)*

#### 4. Demographic Composition

	African American	Hispanic	Native American	Asian American and Pacific Islander	LGBTQ+ American	People with Disabilities	Youth
Percent in Democratic Electorate	32%	5%	0%	2%	6%	19%	34%
Numeric Goals for Delegation	22	4	0	1	4	13	24

- a) DNC Data Methodology: The percentage of Democrats belonging to each group was calculated by using a four- step process for each state:
1. Estimate the number of Democrats in each state by multiplying the size of each state’s citizen voting-age population (CVAP) by the level of Democratic support in that state
  2. Estimate the number of eligible voters from each demographic group in each state by multiplying each state’s CVAP by the percentage of the population belonging to each group in each state
  3. Estimate the number of Democrats in each demographic group in each state by multiplying the size of each group in each state by the level of Democratic support from each group in each state
  4. Estimate the prevalence of each demographic group among Democratic supporters in each state by dividing our estimates of the number of Democrats in each group in each state by our estimates of the number of Democrats in each state.
- b) DNC Data Sources Used: These calculations require many different kinds of data to use as inputs, and we chose to focus primarily on data sources that are publicly available, up to date, and reliable. For estimates of overall citizen voting-age population and the prevalence of each subgroup in each state, we used data from the Census Bureau’s most recent American Community Survey (ACS) datasets. The ACS provides CVAP estimates split out by race and ethnicity, allowing us to combine steps (1) and (2) above. For young voters and disabled voters, we estimated the percentage of eligible voters in those categories in each state by dividing the disabled and youth population size by the voting-age population size. Our estimates also required the choice of a proxy for Democratic support that would be comparable in meaning across states. This latter requirement excluded the use of party registration, so we instead chose to use the 2022 DNC partisanship model as our indicator of Democratic support. We

used a combination of ethnicity models, voter file self-reported race where available, and a combination of voter file age and modeled age to estimate support by race and among young voters. Because we don't have voter file data indicating LGBT voters or those with disabilities, we needed to estimate both population and support for those groups. For LGBTQ+ goals, we used two widely-cited publications by the Williams Institute – one of which estimates the adult LGBTQ+ identification by state, and the other examines political preferences and voting habits of LGBTQ+ people. Similar to our 2019 methodology, we used a nationwide estimate of LGBTQ+ support rate in the absence of rigorous state-specific research or estimates.

4. 6. 7. The Affirmative Action Committee will develop a State Party strategy to be implemented beginning September 12, 2023 that will provide education programs directly to voters who continue to experience confusing timelines for registration, changing party affiliation deadlines, or lack of awareness of the process for running for delegate, to ensure all Democratic voters understand the rules and timelines and their impact on voter participation. *(Rule 4.B.5)*

#### **D. Efforts to Publicize the Delegate Selection Process**

1. The State Party shall direct special attention to publicizing the delegate selection process in the state. Such publicity shall include information on eligibility to vote and how to become a candidate for delegate, the time and location of each stage of the delegate selection process, and where to get additional information. The foregoing information will also be published in the State Party communications and on the State Party's website. The Party organization, official, candidate, or member calling a

meeting or scheduling an event, shall effectively publicize the role that such meeting or event plays in the selection of delegates and alternates to the Democratic National Convention. *(Rule 3.C & Rule 3.D)*

2. The State Party shall have a Delegate Selection Media Plan for using all available and appropriate resources, such as social media, websites, newspapers, radio and television, to inform the general public how, when and where to participate in the delegate selection process. Specifically, the Delegate Selection Media Plan will provide details as to how to qualify to run as a delegate candidate. Regular updates should be posted/released throughout the state's delegate selection process to ensure broad and timely coverage and awareness about the process to all interested persons. *(Rule 4.B.3 & Rule 6.D)*
3. A priority effort, as described in the Delegate Selection Media Plan, shall be directed at publicity among the Democratic Party's constituencies.
  - a. Information about the delegate selection process will be posted on and made available to social and specialty media directed toward the Democratic constituency groups set forth in the introduction of this Affirmative Action Plan and Outreach and Inclusion Program.
  - b. The State Party shall be responsible for the implementation of this publicity effort. For purposes of providing adequate notice of the delegate selection process, the times, dates, places and rules for the conduct of conventions shall be effectively publicized, multilingually where necessary, to encourage the participation of minority groups. *(Rule 6.D)*
4. Not later than September 12, 2023, the State Party will make information about the delegate selection process available on its website and publicize the resource through press releases and communications to Party leaders, activists and targeted constituencies. Information to be posted on the website will include:
  - a. materials designed to encourage participation and inform prospective delegate candidates;
  - b. a summary explaining the role of the 2024 Convention in nominating the Party's Presidential and Vice-Presidential candidates and adopting the National Platform;
  - c. a summary of the State Party's delegate selection process including all pertinent rules, dates, and filing requirements related to the process;

2. Each presidential candidate must submit a written statement to the State Democratic Chair by December 4, 2023 which indicates the specific steps they will take to encourage full participation by their supporters in State's delegate selection process, including, but not limited to, procedures by which persons may file as candidates for delegate or alternate pledged to the presidential candidate. *(Rule 6.H.1)*
3. Each presidential candidate must submit demographic information to the State Democratic Chair with respect to all candidates for delegate and alternate pledged to them. Such information shall be submitted in conjunction with the list of names approved for consideration as delegate and alternate candidates pledged to the presidential candidate. *(Rule 6.H.2)*
4. Presidential candidates shall use their best effort to ensure that their respective delegates, alternates and standing committee members shall achieve the affirmative action goals reflected in the Affirmative Action Plan and Outreach and Inclusion Program and that the number of men and the number of women in their respective delegations shall not differ by more than one (as determined by gender self-identification). Furthermore, presidential candidates shall use their best efforts at the district level to approve delegate, alternate, and standing committee candidates who meet applicable equal division and affirmative action considerations to promote and achieve the state's affirmative action, outreach and inclusion goals and equal division for their respective delegations. *(Rule 6.C., Rule 6.I & Reg. 4.10)*

## **F. Outreach and Inclusion Program**

1. The Tennessee Democratic Party is committed to help achieve full participation of those groups of Americans who have historically been explicitly denied the right to vote or who have been subjected to discriminatory and exclusionary practices that have denied them voting rights and full participation in the delegate selection process and other Party meetings, events and elections, along with other groups of Americans who are also underrepresented in Party affairs.
2. As such, the Tennessee Democratic Party has developed outreach and inclusion programs and is committed to fully implementing the programs so that all persons who wish to participate as Democrats understand they are welcome and encouraged to be a part of the delegate selection process and in the Party at the local, state and national levels.

3. The State Party will make accommodations to facilitate greater participation by people with disabilities including selecting accessible venues, and other accommodations as requested.
4. In addition to the education, publicity and other steps described above, the State Party has implemented a statewide constituency caucus program as part of the TNDP State Executive Committee Bylaws, and will ensure that these organizations are vital communication and education arms of the TNDP Affirmative Action Plan to heighten the awareness about the delegate selection process for these groups and the Democratic Party's desire to have them fully participate.
