## Delegate Selection Plan

### For the 2024 Democratic National Convention

#### Section I

#### Introduction & Description of Delegate Selection Process

##### A. Introduction

1. Virginia has a total of 121 delegates and 8 alternates. *(Call I & Appendix B)*
2. The delegate selection process is governed by the *Charter and Bylaws of the Democratic Party of the United States*, the *Delegate Selection Rules for the 2024 Democratic National Convention* (“Rules”), the *Call for the 2024 Democratic National Convention* (“Call”), the *Regulations of the Rules and Bylaws Committee for the 2024 Democratic National Convention* (“Regs.”), the Democratic Party of Virginia (“DPVA”) State Party Plan, the Code of Virginia, the Administrative Code of Virginia, and this Delegate Selection Plan. *(Call II.A)*
3. Following the DPVA State Central Committee’s adoption of this Delegate Selection Plan, DPVA shall submit the Plan for review and approval by the DNC Rules and Bylaws Committee (“RBC”). The DPVA Chair shall be empowered to make any technical revisions to this document as required by the RBC to correct any omissions and/or deficiencies as found by the RBC to ensure its full compliance with Party Rules. Such corrections shall be made by the state Party Chair and the Plan resubmitted to the RBC within 30 days of receipt of notice of the RBC’s findings. *(Reg. 2.5, Reg. 2.6 & Reg. 2.7)*
4. Once this Plan has been found in Compliance by the RBC, any amendment to the Plan by DPVA must be submitted to and approved by the RBC before it becomes effective. *(Reg. 2.9)*

##### B. Description of Delegate Selection Process

1. Virginia will use a proportional representation system based on the results of the Presidential Preference Primary for apportioning delegates to the 2024 Democratic National Convention.
2. The “first determining step” of Virginia’s delegate selection process will occur on March 5, 2024, with a State-Run Primary. With the exception of the Republican

State-Run Primary, there will be no additional elections scheduled to be held on this date.

### C. Voter Participation

1. Participation in state's delegate selection process is open to all voters who wish to participate as Democrats. *(Rule 2.A and Rule 2.C.)*
  - a. *There is no deadline to register to vote/participate in the March 5, 2024 Presidential Preference Primary. However, any voter who registers via the Same Day Registration process from February 19, 2024 until polls close at 7:00PM March 5, 2024 will cast a provisional ballot pending the acceptance of their voter registration application.*
  - b. **An overview of the state's voter registration, enrollment procedures, and/or declaration process including:**
    - (1) *Virginia does not provide for registration by party. (Rule 2.A & Reg. 4.3.B) Pursuant to Code of Virginia Section 24.2-530, voters in the March 5, 2024 Democratic Presidential Primary will publicly declare their Party preference and that preference will be publicly recorded through the maintenance of separate poll books for each party (Rule 2.A & Reg. 4.3.A). Any person is eligible to participate in county and city caucuses if that person is a member of the Democratic Party of Virginia, as defined in Party Plan Article 2, and is a registered voter in the jurisdiction in which that caucus is held.*
  - c. To encourage participation by youth in the delegate selection process pursuant to state law (Code of Virginia Section 24.2-403), any individual who will have turned 18 by the date of the general election will be allowed to participate in the delegate selection process. (Reg. 4.3.C)
  - d. At no stage of Virginia's delegate selection process shall any person be required, directly or indirectly, to pay a cost or fee as a condition for participating. Voluntary contributions to the Party may be made, but under no circumstances shall a contribution be mandatory for participation. Specifically, pursuant to Party Plan Section 14.4, "[a] voluntary administrative fee may be requested for participation in any convention. However, no party member shall be excluded from participation in a convention because of not paying a fee. Any Democrat who desires to participate in a convention but who chooses not to pay the requested fee shall be permitted to participate." (Rule 2.D & Reg. 4.4)

## Virginia 2024 Delegate Selection Plan

- e. No person shall participate or vote in the nominating process for the Democratic presidential candidate who also participates in the nominating process of any other party for the corresponding election. *(Rule 2.E)*
  - f. Votes shall not be taken by secret ballot at any stage of the delegate selection process, including processes leading up to the selection of DNC Members or State Chairs or Vice Chairs, who serve as DNC members by virtue of their office, except that use of such voting by secret ballot may be used in a process that is the first determining stage of the delegate selection process and in which all individual voters who wish to participate as Democrats are eligible to do so. *(Rule 2.F)*
  - g. No person shall vote in more than one (1) meeting which is the first meeting in the delegate selection process. *(Rule 3.E & Reg. 4.7)*
2. The DPVA has taken, and continues to take, steps to seek enactment of legislation, rules, and policies at the state and local level to enhance voter and election security, including to accomplish the goals set forth below. DPVA staff and volunteers attend public meetings and interact with agency staff and legislators to advance these goals.
- a. Maintain secure and accurate state voter registration rolls, so that every eligible American who registers to vote has their personal information protected and secure; *(Rule 2.H.1) Virginia elections are administered by the Virginia State Board of Elections and Department of Election, which work with Federal, state, and local agencies to ensure election security.<sup>1</sup> Recent initiatives include obtaining a 2018 HAVA grant for election security. Nevertheless a state legislative committee study recommended improvements in the functionality and reliability of Virginia's voter registration list system, and DPVA supports necessary improvements.<sup>2</sup>*
  - b. Implement transparent and accurate voter registration list maintenance procedures that comply with federal requirements and ensure that every eligible voter stays on the rolls; *(Rule 2.H.2) Implement transparent and accurate voter registration list maintenance procedures that comply with federal requirements and ensure that every eligible voter stays on the rolls (Rule 2.H.2):* The Virginia Department of Elections uses data from sources to maintain their voting roles, including the U.S. Postal Service (USPS) National Change of Address database and Virginia Department of Motor Vehicle (DMV), the U.S. Social Security Administration Master Death File and Virginia Department of Health vital records, which are used to identify deceased voters

and prevent fraudulent use of their identity for voting. The U.S. Attorney's Office and Virginia State Police (VSP) regularly provide data that identifies state or federal felony convictions for removal from the registration list. The Department of Elections is also a member of two multi-state data exchange partnerships.

- c. Promote the acquisition, maintenance, and regular replacement of precinct based optical scan voting systems (*Rule 2.H.3*): This goal has been accomplished and DRE (direct recording electronic) systems have been replaced by optical scan voting systems. Virginia enacted a ban on purchase of new DRE voting machines as of July 1, 2007, and prohibited the use of DREs in the 2017 election and in all elections moving forward.
- d. Ensure that any direct recording electronic systems in place have a voter verified paper record; (*Rule 2.H.4*): DRE systems are not used in Virginia.
- e. Implement risk limiting post-election audits such as manual audits comparing paper records to electronic records; (*Rule 2.H.5*): Pursuant to Va. Code § 24.2-671.1, the Department of Elections is required to coordinate an annual post- election risk-limiting audit of ballot scanner machines used in Virginia. The audits evaluate the accuracy of the ballot scanner machines. The localities selected for the audit were chosen randomly and every locality must participate in the Department's annual audit at least once during a five-year period. The first such audit was completed in August of 2018 and the most recent audit was completed January 18, 2023<sup>3</sup>.
- f. Ensure that all voting systems have recognized security measures (*Rule 2.H.6*): The Department of Elections approves voting machines and continues to evaluate improved security measures.
- g. Use accessible and secure voting machines that make it possible for individuals with disabilities to vote securely and privately (*Rule 2.H.7*): Virginia provides accessible voting,<sup>4</sup> including curbside voting but in many locations implementation of these systems can be improved. The DPVA Voter Protection Council works with the DPVA disAbility Caucus on voting accessibility improvement issues.
- h. Provide educational materials to enhance public knowledge and confidence in election administration and counter disinformation; (*Rule 2.H.8*): DPVA actively provides year round voter protection support to committees and candidates. Part of this effort is maintaining annually updated materials on how individuals

supported successful legislation requiring a sufficient number of voting machines.

- c. Speed up the voting process and minimize long lines; *(Rule 2.1.1.c)*: DPVA recognizes that long lines are one of the most impactful forms of voter suppression. It has supported legislative efforts to provide adequate resources at polling places, and has brought litigation specifically targeting long lines, which was settled successfully with the Board of Elections. As part of its voter protection program, counsel interact with local registrars in advance of election day to identify and avoid potential delays, and our election day voter protection program and year round voter protection hotline to address problems that may cause long lines as they occur. Additionally, allowing for no excuse absentee voting has decreased the burden on Election Day polling locations with the share of voters needing to vote on Election Day being dramatically decreased as a result.
  - d. Eliminate onerous and discriminatory voter identification requirements; *(Rule 2.1.1.d)*: Virginia was able to change the voter identification requirements to now allow for additional documents to be used by a voter to prove their identity as well as allowing for a signed statement in lieu of one of the required forms of identification<sup>9</sup>.
  - e. Count and include in the final total ballots from voters who are eligible to vote but cast their ballots in the wrong precinct, for offices for which they are eligible to vote; and *(Rule 2.1.1.e)*: DPVA supports this goal. See Exh 1.
  - f. Facilitate military and overseas voting. *(Rule 2.1.1.f)*: DPVA supports making military and overseas voting easier. In addition to no-excuse absentee voting, DPVA works with Democrats Abroad to publicize voting information and its voter protection hotline assists voters with absentee voting issues.
4. As part of encouraging participation in the delegate selection process by registered voters, ***[describe how the State Party has been and is supporting efforts to make voter registration easier, including supporting: (Rule 2.1.2)***
- a. *Voter registration modernization, including online voter registration and automatic and same-day registration; (Rule 2.1.2.a)*: Virginia has adopted on-line voter registration. DPVA has supported automatic registration and, since 2016, voters who update their address at the DMV are registered or have their registration updated unless they opt out. DPVA has supported expanding such automatic voter registration. DPVA also supports same-day registration which was adopted in 2020 and put into practice in the 2022 Elections.

- b. *Pre-registration of high school students so that they are already registered once they reach voting age; (Rule 2.I.2.b):* Virginia allows seventeen (17) year-olds who will be eighteen (18) by the next general election to register to vote and even to participate in the primary. Additionally, the General Assembly passed a law to allow for an *automatic voter registration* process through the Department of Motor Vehicles to allow any individual age 17 or older to request that their information be transmitted to the Department of Elections.<sup>10</sup>
  - c. *Restoration of voting rights to all people who have served the time for their criminal conviction, without requiring the payment of court fees or fines; and (Rule 2.I.2.c):* The Constitution of Virginia gives the Governor the sole discretion to restore voting rights. An individual is eligible to have their rights restored by the Governor if he/she has been convicted of a felony and is no longer incarcerated or under active supervision (including supervised probation or parole). Individuals can apply to have their rights restored. The Secretary of the Commonwealth's office also identifies individuals who meet the Governor's standards for rights restoration. Virginia does not require the payment of court fees or fines in order to be eligible for rights restoration. While the current Governor has regressed the Commonwealth in his new procedure for restoring voting rights, DPVA still supports a Constitutional Amendment allowing for the automatic restoration of rights, and works with Democratic leaders to advocate for a broader policy from the Governor on restoring rights<sup>11</sup>.
  - d. *Same-day or automatic registration of voters for the Democratic presidential nominating process.] (Rule 2.I.2.d):* Virginia has same-day registration. Individuals utilizing same-day registration may cast a provisional ballot pending the acceptance of their application in the last 15 days up to and including Election Day.
5. Virginia does not register by party, and thus there is no issue with regards to deadlines for voters to switch parties. *(Rule 2.J and Rule 2.J.1)*
6. Scheduling of Delegate Selection Meetings: The dates, times and places for all official Party meetings and events related to the state's delegate selection process have been scheduled to encourage the participation of all Democrats. The meetings will begin and end at reasonable hours and will be located in publicly accessible facilities. In scheduling the meetings, DPVA will consider religious observations that could significantly affect participation. *(Rule 3.A & Reg. 4.)*

achieves the affirmative action, outreach and inclusion goals established by this Plan and is equally divided between men and women. *(Rule 6.1)*

## Section III

### Selection of Delegates and Alternates

#### A. District-Level Delegates and Alternates

1. Virginia is allocated 65 district-level delegates and 6 district-level alternates. (*Rule 8.C, Call I.B, I.I, & Appendix B*) Pursuant to Reg. 4.34, DPVA has chosen to split the allocation of eight (8) alternates between six (6) District-Level (75%) and two (2) At-Large (25%).
2. District-level delegates and alternates shall be elected pursuant to a Presidential preference primary followed by post-primary district conventions. The process shall be as set forth below.
  - a. The Presidential preference primary will be held on March 5, 2024. The results of that primary shall be used to allocate delegates who will be elected to district conventions and a State Convention.
  - b. As set forth above, counties and cities shall hold caucuses on April 20 or April 22, 2024. These caucuses may be unassembled or assembled and shall follow the procedures set forth in the Party Plan. The caucuses shall be open to all Democrats. Caucuses generally shall elect state-level delegates and alternates to the district and State Conventions. District and State Convention delegates and alternates (state-level delegates and alternates) elected by the county and city caucuses (or conventions) shall be elected in proportion to the percentage each candidate receives in the March 5, 2024 primary.
  - c. Each Congressional District Committee shall conduct a convention for the delegates from that district to the State Convention on May 11, 18, or 25, 2024, as determined by the Congressional District Committee. Congressional district conventions shall be held for the purpose of electing delegates and alternates to the Democratic National Convention, electing a Democratic Elector from each district, and accomplishing any other business required by the Call to the State Convention or set out in the Call to the District Convention. Each Congressional District Democratic Committee shall meet to determine the date and time of its convention and shall advise Democratic Party State Headquarters of such information by February 23, 2024. Each District Committee shall issue a Call to the District Convention by April 1, 2024.
  - d. The district conventions shall elect district level delegates (and alternates, if applicable) and conduct other appropriate business. At the district conventions, caucuses electing National Convention delegates and alternates shall be composed of supporters of candidates who have filed declaration forms or signed statements of support for that presidential preference.

## Virginia 2024 Delegate Selection Plan

---

- e. Persons wishing to be elected as National Convention delegates or alternates at district conventions must file a statement of candidacy by 5:00 p.m., 15 days prior to the applicable district conventions, and presidential candidates shall provide lists of approved delegate (and alternate candidates) eight (8) days prior to the convention. Specifically, the candidate filing deadlines shall be April 26, 2024 for May 11, 2024 conventions, May 3, 2024 for May 18, 2024 conventions and May 10, 2024 for May 25, 2024 conventions.
3. Apportionment of District-Level Delegates and Alternates
- a. State’s district-level delegates and alternates are apportioned among the districts based on a formula giving equal weight to the vote for the Democratic candidates in the 2020 presidential and most recent gubernatorial elections. This formula was selected to make sure that the most diverse areas across the commonwealth were given additional District Level National Delegates to ensure compliance with the Affirmative Action goals set forth in this plan. (*Rule 8.A, Reg. 4.12, Reg. 4.11 & Appendix A*)
  - b. The number of men and the number of women in the state’s total number of district-level delegates and alternates will not vary by more than one. If a congressional district is allocated an even number of delegates, one half will go to the highest male vote-getters and one half to the highest female vote-getters if there are no gender non-binary. The gender of the odd delegates in the affected districts has been determined by a coin toss conducted by the Democratic Party of Virginia Executive Director on April 18, 2023 to allocate gender in districts with odd numbered delegates. The results of the drawing have been incorporated into this plan. (*Rule 6.C.1 & Reg. 4.9*)
  - c. The district-level delegates and alternates are apportioned to districts as indicated in the following table, assuming no gender non-binary delegates or alternates:

District	Delegates			Alternates		
	Males	Females	Total	Males	Females	Total
1	3	3	6	1	0	1
2	3	3	6	0	0	0
3	3	3	6	0	1	1
4	3	4	7	1	0	1
5	3	2	5	0	0	0
6	2	2	4	0	0	0

10	3	3	6	1	0	1
11	4	4	8	0	1	1
Total	32	33	65	3	3	6

- d. State delegates in the caucus/convention system are assigned based on Article 15.1.A<sup>12</sup> of the Party Plan, a formula giving equal weight to population and to the average of the Democratic vote in the most recent elections for Governor, United States Senator, and United States President. (*Rule 8.B*)

#### 4. District-Level Delegate and Alternate Filing Requirements

- a. A district-level delegate and alternate candidate may run for election only within the district in which they are registered to vote. (*Rule 13.H*)
- b. An individual can qualify as a candidate for district-level delegate or alternate to the 2020 Democratic National Convention by filing a statement of candidacy, designating his or her singular presidential preference, and a signed pledge of support for the presidential candidate with the congressional district Democratic committee chair (with a copy to State Party Chair) by 5:00 p.m., 15 days prior to the district convention at which the individual seeks election. (Specifically, the candidate filing deadlines shall be April 26, 2024 for May 11, 2024 conventions, May 3, 2024 for May 18, 2024 conventions and May 10, 2024 for May 25, 2024 conventions) The filing address for the State Party Chair will be set forth in the Call to Convention and the filing addresses for Congressional District Chairs will be set forth in the Congressional District Calls to Convention. Candidates for delegate or alternate may modify their singular presidential preference by submitting an updated pledge prior to the deadlines set forth above. Persons need not be congressional district and state delegates to be eligible to run for National Convention delegate. (*Rule 13.B, Rule 15.F & Reg. 4.23*). All information related to filing for any type of delegate can be found at [vademocrats.org/delegateselection](http://vademocrats.org/delegateselection)

- c. All candidates considered for district-level alternate positions must meet the same requirements as candidates for district-level delegate positions except that candidates who were not chosen at the delegate level may be considered at the alternate level. *(Rule 13.C)*
5. Presidential Candidate Right of Review for District-Level Delegates and Alternates
    - a. The State Democratic Chair shall convey to the presidential candidate, or that candidate's authorized representative(s), not later than *5:00 pm on April 27, 2024 for May 11, 2024 conventions, May 4, 2024 for May 18, 2024 conventions, and May 11, 2024 for May 25, 2024 conventions*, a list of all persons who have filed for delegate or alternate pledged to that presidential candidate. *(Rule 13.D & Rule 13.F)*
    - b. Each presidential candidate, or that candidate's authorized representative(s), must then file with the State Democratic Chair by *5:00 pm on April 28, 2024 for May 11, 2024 conventions, May 4, 2024 for May 18, 2024 conventions, and May 12, 2024 for May 25, 2024 conventions*, a list of all such candidates they have approved, provided that approval be given to at least three (3) separate individuals for each position for delegate and three (3) separate individuals for each alternate position to be selected. *(Rule 13.E.1, Reg. 4.23 & Reg. 4.24)*
    - c. Failure to respond will be deemed approval of all delegate and alternate candidates submitted to the presidential candidate unless the presidential candidate, or the authorized representative(s), signifies otherwise in writing to the State Democratic Chair not later than *5:00 pm on April 28, 2024 for May 11, 2024 conventions, May 4, 2024 for May 18, 2024 conventions, and May 12, 2024 for May 25, 2024 conventions*.
    - d. National convention delegates and alternate candidates removed from the list of bona fide supporters by a presidential candidate, or that candidate's authorized representative(s), may not be elected as a delegate or alternate at that level pledged to that presidential candidate. *(Rule 13.E & Reg. 4.23)*
    - e. The State Democratic Chair shall certify in writing to the Co-Chairs of the DNC Rules and Bylaws Committee whether each presidential candidate has used their best efforts to ensure that their respective district-level delegate candidates and district-level alternate candidates meet the affirmative action and outreach and inclusion considerations and goals detailed in the Affirmative Action section of this Plan within three (3) business days of returning the list of approved district-level delegate candidates and district-level alternate candidates as indicated in Section III.A.5.b of this Plan. *(Rule 6.I & Reg.4.10.C)*

## Virginia 2024 Delegate Selection Plan

---

6. Fair Reflection of Presidential Preference
  - a. Presidential Primary - Proportional Representation Plan (*Rule 14.A, Rule 14.B & Rule 14.D*)
    - (1) The Virginia presidential primary election is a “binding” primary. Accordingly, delegate and alternate positions shall be allocated so as to fairly reflect the expressed presidential (or uncommitted) preference of the primary voters in each district. The National Convention delegates and alternates selected at the district level shall be allocated in proportion to the percentage of the primary vote won in that district by each preference, except that preferences falling below a 15% threshold shall not be awarded any delegates or alternates.
  - b. Within a district, if no presidential preference reaches a 15% threshold, the threshold shall be half the percentage of the vote received in that district by the front-runner. (*Rule 14.F*)
  - c. At each district convention, the convention shall divide into caucuses based on presidential candidate preference. The delegates elected who are pledged to a candidate shall participate in that candidate’s caucus. Delegates whose presidential candidates do not meet the 15% threshold may join a candidate caucus by signing a statement of support for that candidate. The candidate caucuses will then elect the proportionate number of National Convention delegates and alternates. Each candidate caucus participant may cast the same number of votes as National Convention delegates to be elected. Each Call to a District Convention electing an alternate shall state whether National Convention delegates and alternates shall be elected at the same time and the caucus that has been awarded an alternate shall elect the next highest vote-getters as alternate, or whether National Convention delegates and alternate shall be elected separately. (*Rule 13.G*)

## Virginia 2024 Delegate Selection Plan

7. Equal Division of District-Level Delegates and Alternates
  - a. To ensure the district-level binary-gendered delegates are equally divided between men and women (determined by gender self-identification) the gender of the first binary delegate elected in each district will be designated. At the time of election of delegates in the district, the binary gender advantage will alternate as delegate positions are filled and the alternation shall continue across presidential preferences in order of vote-getting preference. In the case of non-binary gender delegates, they shall not be counted in either the male or female category, but do count towards the total delegate allotment. *(Rule 6.C., Rule 6.C.1 & Reg. 4.10)*

### C. Standing Committee Members

1. Selection Meeting

## Virginia 2024 Delegate Selection Plan

---

such multiplication does not equal 0.455 or above, the presidential preference in question is not entitled to representation on the standing committee. If the result of such multiplication is 0.455 but less than 1.455, the presidential preference is entitled to one (1) position. Those preferences securing more than 1.455 but less than 2.455 are entitled to two (2) positions, etc. (*Call VII.C.2*)

- c. Where the application of this formula results in the total allocation exceeding the total number of committee positions, the presidential candidate whose original figure of representation is farthest from its eventual rounded-off total shall be denied that one (1) additional position. Where the application of this formula results in the total allocation falling short of the total number of committee positions, the presidential candidate whose original figure of representation is closest to the next rounding level shall be allotted an additional committee position. (*Call VII.C.3*)
  - d. Standing committee positions allocated to a presidential candidate shall be proportionately allocated, to the extent practicable, to each of the three (3) standing committees. 3. Presidential Candidate Right of Review
    - a. Each presidential candidate, or that candidate's authorized representative(s), shall be given adequate notice of the date, time and location of the meeting of the state's delegation authorized to elect standing committee members. (*Call VII.D.1*)

## Virginia 2024 Delegate Selection Plan

between the men and women determined by gender self-identification. (*Rule 6.1 & Reg. 4.10*)

- b. The first binary gender position on each standing committee shall be assigned by binary gender as self-identified. For example, the first binary position on the Credentials Committee of the presidential candidate with the most standing committee positions shall be designated for a female, and the next binary position, if one occurs, will be designated for a male, and the remaining binary positions, to the extent they occur, shall be designated in like fashion, alternating between males and females, where applicable. For avoidance of doubt: there is no requirement that positions be assigned to gender non-binaries but the described alternation of binary genders may not be used to exclude a gender non-binary from consideration for a committee position. Positions for presidential candidates on each committee shall be ranked according to the total number of standing positions allocated to each such candidate. After positions on the Credentials Committee are designated by gender, the designation shall continue with the Platform Committee, then the Rules Committee.
    - (1) A separate election shall be conducted for membership on each standing committee.
    - (2) The male and female membership of the standing committees shall be as equally divided among the men and women as possible under the state allocation; the variance between men and women in any committee and among the three committees in aggregate shall not exceed one. (*Call VII.E.2*)
    - (3) Gender non-binary committee members shall not be counted as either a male or female, and the remainder of the delegation shall be equally divided between male gender (men) and female gender (women). (*Call VII.E.1*)

As our Party strives to progress in the fight against discrimination of all kinds, these six basic elements have evolved and grown along with the constant push for more inclusion and empowerment. These provisions demonstrate the intention of the Democratic Party to ensure a full opportunity for all minority group members to participate in the delegate selection process. (*Rule 4.A, Rule 4.B & Rule 4.C*)
1. All public meetings at all levels of the Democratic Party in Virginia should be open to all members of the Democratic Party regardless of race, sex, age, color, creed, national origin, religion, ethnic identity, sexual orientation, gender identity and expression, economic status or disability (hereinafter collectively referred to as “status”). (*Rule 4.B.1*)

The Democratic Party in Virginia should publicize fully and in such a manner as to assure notice to all interested parties a full description of the legal and practical procedures for selection of Democratic Party officers and representatives on all levels. Publication of these procedures should be done in such fashion that all prospective and current members of the State Democratic Party will be fully and adequately informed of the pertinent procedures in time to participate in each selection procedure at all levels of the Democratic Party organization. As part of this, the State Democratic Party should develop a strategy to provide education programs directly to voters who continue to experience confusing timelines for registration, changing party affiliation deadlines, or lack of awareness of the process for running for delegate, to ensure all Democratic voters understand the rules and timelines and their impact on voter participation.
