

My fellow New Yorkers,

I'm Montell Moseley, and I'm running to be your next Mayor because I believe in a New York City that works for everyone. As a Republican woman candidate, I bring a fresh perspective and unwavering determination to City Hall.

Every New Yorker deserves a voice. Whether you're working multiple jobs to make ends meet, building a small business, or raising a family in our incredible city, your dreams and challenges matter. For too long, we've been told that working people should lower their expectations – I say that's absolutely wrong.

Real leadership means fighting for every New Yorker's right to be heard. That's why I'm committed to:

- Ensuring fair ballot access for all candidates
- Giving voters more choices in primary elections
- Creating genuine opportunities for every hardworking New Yorker
- Bringing fresh solutions to our city's challenges

With an experienced campaign team and strong legal support behind me, we're ready to bring real change to New York City. But this isn't just my campaign – it's our campaign. It's about building a city where your standards, your dreams, and your voice shape our future.

The time for transformation is now. Together, we can create a New York City that truly represents all of us – not just a select few. I'm Montell Moseley, and I'm asking for your support to make this vision a reality.

Join our movement. Let's build a stronger, more inclusive New York City – one where every voice matters and every dream has a chance.

Vote Montell Moseley for NYC Mayor. Because New York deserves a leader who stands up for all of us.
